Advice 2789-G/2947-E
(Pacific Gas and Electric Company ID U 39 M)

Public Utilities Commission of the State of California

Subject: **Revised Table of Contents Tariffs**

Pacific Gas and Electric Company (PG&E) hereby submits for filing revisions to its gas and electric tariffs. The affected tariff sheets are listed on the enclosed Attachment I.

Purpose

PG&E is implementing a new information system to manage its advice letters and tariffs that will ease the administration of its tariffs and simplify the advice letter filing process. As a consequence, the new information system requires that the table of contents associated with the gas and electric tariffs be modified and certain items relocated causing an overall formatting and repagination of the table of contents. Therefore, PG&E is submitting the entire revised table of contents tariff pages and asks the California Public Utilities Commission to approve the tariffs effective the date of this filing.

Protests

Anyone wishing to protest this filing may do so by letter sent via U.S. mail, by facsimile or electronically, any of which must be received no later than **January 2**, **2007** which is 22 days after the date of this filing.[1] Protests should be mailed to:

CPUC Energy Division
Tariff Files, Room 4005
DMS Branch

[1] The 20 day protest period concludes on a weekend and holiday. PG&E is hereby moving this date to the following business day.

505 Van Ness Avenue
San Francisco, California 94102

Facsimile: (415) 703-2200
E-mail: jnj@cpuc.ca.gov and mas@cpuc.ca.gov

Copies of protests also should be mailed to the attention of the Director, Energy Division, Room 4004, at the address shown above.

The protest also should be sent via U.S. mail (and by facsimile and electronically, if possible) to PG&E at the address shown below on the same date it is mailed or delivered to the Commission:

Brian K. Cherry
Vice President, Regulatory Relations
Pacific Gas and Electric Company
77 Beale Street, Mail Code B10C
P.O. Box 770000
San Francisco, California 94177

Facsimile: (415) 973-7226
E-mail: PGETariffs@pge.com

Effective Date

PG&E requests that this advice filing become effective on **December 11, 2006**, which is the date of filing. PG&E requests this filing be made effective the date of filing because it is purely ministerial and PG&E intends to immediately implement the new information system described above which will subsequently produce the table of contents tariff pages for all tariff-related advice filings going forward.

Notice

In accordance with General Order 96-A, Section III, Paragraph G, a copy of this advice letter is being sent electronically and via U.S. mail to parties shown on the attached list. Address changes to the General Order 96-A service list should be directed to Rose de la Torre at (415) 973-4716.
