**SUBJECT: ASSET INSPECTOR EMPLOYEE WORKFORCE**

**QUESTION 06**

What are PG&E's plans for increasing internal employment of inspectors for asset inspections (as opposed to relying on contractors)?

**ANSWER 06**

We are currently evaluating the best approach for our 2023 inspections and associated workplans. We will continue to look for efficiencies that will allow us to reduce our dependency on contractor resources. However, at this time we have not settled on a specific plan.
