

**Pacific Gas and Electric Company (PG&E)
2023 Public Safety Power Shutoff Pre-Season Report
July 2023**

Section IV: PSPS Exercise Reports

2. For each exercise, please provide the items below. (SED Additional Information.)

- a. After-Action Report**
- b. What written materials (e.g., slides, instructions) do you provide to telecommunication carriers and other Public Safety Partners during and after they participate in TTXs, FSEs or other trainings/briefings?**
- c. Please provide copies of the written materials and/or links to web-based information.**
- d. Indicate if this information is also posted in your PSP Portal.**

Response:

As part of the extension request for Section IV: Question 2 to the CPUC on May 26, 2023, the zip file titled, *R.18-12-005_PGE_2023_PSPS_Pre_Season_Report_Additional_Written_Materials_20230727.PUBLIC.zip*, includes the following documents:

- 2023 PPS Functional Exercise (FE) After Action Report (AAR)
- 2023 PPS Table Top Exercise (TTX) After Action Report (AAR)

Please see “Table D1: External Organizations Participating” (see PPS FE AAR) and “Table 1: External Organizations Participating” (see PPS TTX AAR) for the final list of invited and participated exercise entities. Note that the previously submitted “Table 9: Exercise Participants,” only includes entities that confirmed their participation.
