

PG&E – CleanPowerSF Joint Rate Comparisons

As a part of our mutual commitment to support your energy choice, CleanPowerSF and PG&E have partnered to create a comparison of our typical electric rates, average monthly charges and generation portfolio contents. Below you will find a representative comparison of our rates, average monthly bills and power generation portfolio content based on customer class. To find your specific electric rate, please scroll down to your rate plan to view the rate and bill comparisons.

Definitions

Generation Rate is the cost of creating electricity to power your home or business. The generation rate varies based on your energy provider and the resources included in your energy provider's generation supply.

PG&E Delivery Rate is a charge assessed by PG&E to deliver electricity to your home or business. The PG&E delivery rate depends on your electricity usage but is charged equally to both CleanPowerSF and PG&E customers.

PG&E PCIA/FF represents the Power Charge Indifference Adjustment (PCIA) and the Franchise Fee surcharge (FF). The PCIA is a charge to ensure that both PG&E customers and those who have left PG&E service to purchase electricity from other providers pay for above market costs for electric generation resources that were procured by PG&E on their behalf. 'Above Market' refers to the difference between what the utility pays for electric generation and current market prices for the sale of those resources. Visit www.pge.com/cca

Where Do I Find My Electric Rate Schedule?

Need some help finding your electric rate? Go to the "Electric Delivery Charges" section of your energy statement - you'll find your electric rate in the upper left.

The image shows a screenshot of a PG&E Energy Statement. The top left features the PG&E logo and the text "ENERGY STATEMENT" and "www.pge.com/MyEnergy". The top right displays account information: "Account No: 1023456789-0", "Statement Date: MM/DD/YYYY", and "Due Date: MM/DD/YYYY".

The main section is titled "Details of PG&E Electric Delivery Charges" and includes a sub-section for "MM/DD/YYYY - MM/DD/YYYY (29 billing days)". A yellow box highlights the "Rate Schedule: E1 S Residential Service" line. Below this, there are two tables showing tier usage for the periods 04/26/2019 - 04/30/2019 and 05/01/2019 - 05/24/2019. The bottom of the statement shows a "Total PG&E Electric Delivery Charges" of \$83.93.
