Regarding Safety and Infrastructure Protection Teams (SIPT) in section 7.3.2.5:

- a. In 2022, PG&E is planning on increasing staffing by 22 full-time employees. How many SIPT Crews and Engines will PG&E have after increasing this staffing?

ANSWER 23

In 2022, PG&E received budgetary approval to increase SIPT staffing, allowing for the hiring of an additional 22 employees. Without factoring in attrition, PG&E aims to have a total of 45 SIPT engines/crews in operation in 2022, up from 40 in 2021.
