We manually read meters for customers who have enrolled in the SmartMeter™ Opt-Out Program or if the meter can't be read remotely. If you are enrolled in the SmartMeter Opt-Out Program, meter reading will occur every other month.

Follow the steps below to find the date we will read the meter.

- 1 Locate your serial letter in the "Service Information" section on the right side of your energy statement.
- 2 In the table above, locate that same letter in the Serial column.
- 3 In the same row as your serial letter, locate your meter reading date for each month.

We make every effort to follow this schedule. However, we may need to read the meter(s) on a slightly different date. Please allow safe and clear access and secure your pet **one day before** and **one day after** your scheduled meter read date.

Pet owners: safety first!

Please secure your pet one day before and one day after your scheduled meter read date.

Please allow access

Please allow us physical access to the meter(s) on your property by removing any obstructions or safety hazards, such as locked gates or pets.

Upgrade to a SmartMeter™

To avoid SmartMeter Opt-Out charges and the requirement to provide us regular access to the meter(s), you can choose to upgrade to SmartMeter at any time. With a SmartMeter, we will only require access if a safety issue occurs or if the meter malfunctions.

To upgrade, please visit pge.com/smartmeterupgrade or call our SmartMeter line at **1-866-743-0263**.
