

ELECTRIC SCHEDULE D-MEDICAL
LINE-ITEM DISCOUNT FOR MEDICAL CUSTOMERS

Sheet 1

APPLICABILITY: This schedule is applicable to single-phase and polyphase residential service in single-family dwellings and in flats and apartments separately metered by PG&E, where the applicant qualifies for PG&E's Medical program under the eligibility and certification criteria set forth in Electric Rule 19, Sections B through E. As described in Advice Letter 6688-E, Schedule D-MEDICAL is being implemented in phases. Effective July 1, 2023, Schedule D-MEDICAL will be available, on an optional basis, to both non-Net Energy Metering and certain Net Energy Metering (NEM/NEM2) customers taking service on Schedule E-ELEC.¹ Effective December 30, 2023, Schedule D-MEDICAL will be available to customers taking service on Schedule E-TOU-D.² In a future phase, it will become available to additional Net Energy Metering customers and customers taking service on the Net Billing Tariff, and to customers taking service on PG&E's remaining open non-tiered TOU rate, Schedule EV2-A.

A Medical program customer who was (1) taking service on a tiered electric rate schedule that includes a Medical discount prior to the establishment of Schedule D-MEDICAL and (2) who subsequently enrolls into Schedule E-ELEC is eligible to return to its previous tiered rate schedule, so long as that schedule is open to new customers, if the request is made to PG&E before the date exactly one year after the Schedule D-MEDICAL first becomes effective.

TERRITORY: This rate schedule applies everywhere PG&E provides electric service.

RATES: Customers taking service on this rate schedule will receive a 12 percent discount on their total bundled charges on their otherwise applicable rate schedule (except for the California Climate Credit, which will not be discounted). The MEDICAL discount will be calculated for direct access and community choice aggregation customers based on the total charges as if they were subject to bundled service rates. Discounts will be applied as a residual reduction to distribution charges, after D-MEDICAL customers are exempted from the Wildfire Fund Charge rate component.

SPECIAL CONDITIONS:

- 1. OTHERWISE APPLICABLE SCHEDULE:** The Special Conditions of the Customer's otherwise applicable rate schedule will apply to this schedule.
- 2. ELIGIBILITY:** To be eligible to receive D-MEDICAL the applicant must qualify under the criteria set forth in PG&E's Electric Rules 19, Sections B through E, and meet the certification requirements thereof to the satisfaction of PG&E. Qualifying Direct Access, Community Choice Aggregation Service, and Transitional Bundled Service customers on applicable rate schedules are also eligible to take service on Schedule D-MEDICAL. Applicants may qualify for D-MEDICAL at their primary residence only.

¹ The specific types of Net Energy Metering customer qualifications are described in the Applicability section of the Schedule E-ELEC tariff.

² Discount will be provided in annual lump-sum bill credits to eligible customers taking service on: Multiple Tariff (NEMMT/NEM2MT); Aggregation (NEMA/NEM2A); Paired Storage (NEMPS/NEM2PS) without Power Control Systems; Virtual NEM Tariffs (NEMV/NEMVMASH/NEM2V/NEM2VMSH/NEM2VSOM), or any customer that must be billed in PG&E's Advanced Billing System (ABS).
