

Home Energy Checkup

We're going to save energy with the free Home Energy Checkup from PG&E. Just by answering a few questions, I can see where we're using the most energy. It's quick and easy. And we'll get customized tips that show how we can save money. Often at a low cost, like getting energy-efficient showerheads. Or sealing around windows. Would you like to lower *your* energy bill? (Yes!) Take the PG&E Home Energy Checkup today at pge.com/checkup
