

Rate References PG&E Owned Lighting Traditional & Decorative Series

Revised 10/1/2008

This schedule is applicable to PG&E-owned and maintained lighting installations which illuminate streets, highways, and other public-dedicated outdoor ways and places and which generally utilize PG&E's distribution facilities.

Lamp rates include a base charge for the costs of owning, operating and maintaining the various lamp types and sizes and the energy charge.

HIGH PRESSURE SODIUM VAPOR LAMPS: 120 Volts
