

In this See and Check exercise you will learn many ways to save energy at home. You will see a Watt-a-lot® wasting lots of electricity. You will see a Therm-a-lot® wasting lots of natural gas. You will also see that an Energenius® does not waste energy. Discover ways that your family can conserve energy and help preserve our environment.

Directions:

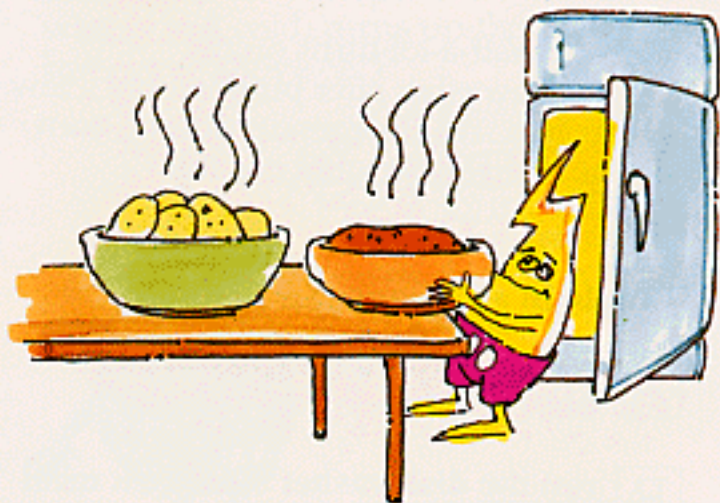

Read each of the ten sections in the See and Check exercise. Check the box with the correct letter that shows what people in an Energenius family do.

- 1.** A Watt-a-lot leaves the refrigerator door open for a long time before putting food away.

Watt-a-lot

Therm-a-lot

People in an Energenius family:

- A** open the refrigerator door only when they are ready to put food away.
- B** open the refrigerator door before they are ready to put food away.
