

# Welcome to the 2006 Water Conservation Showcase

Organized by

**BUILD IT GREEN**

**EAST BAY MUNICIPAL  
UTILITY DISTRICT**

**PACIFIC ENERGY CENTER**

**U.S. GREEN BUILDING COUNCIL  
NORTHERN CALIFORNIA CHAPTER**

## SUPPORTERS

ADPSR – Northern California Chapter  
AIA East Bay  
American Society of Landscape Architects, Northern California Chapter  
Bay Area Council  
California Urban Water Conservation Council  
City of El Cerrito – Recycling  
City of Livermore – Community Development Department  
City of San Jose Green Building Program  
County of Marin – Community Development Agency  
County of San Mateo - RecycleWorks  
Department of the Environment, City and County of San Francisco  
Flex Your Power  
Girl Scouts of San Francisco Bay Area  
Global Citizen Center  
IIDA - NC  
Local Government Commission  
PG&E Food Service Technology Center  
Truckee Donner Public Utilities District  
Urban Permaculture Guild  
U.S. Environmental Protection Agency - Pacific Southwest - Region IX  
U.S. Green Building Council – Redwood Empire Chapter

## Presentations:

The presentations will take place in two rooms, the **POLICY TRACK** room on the first floor and the **DESIGN TRACK** room on the second floor. Two talks will occur simultaneously on regular 90-minute intervals with a planned forty minute break between talks. Lectures are forty minutes in length with a ten-minute Q&A session at the end of each lecture.

**12:00 pm**

**POLICY TRACK-** "California Water History: How Did We Get to Where We Are Today?" - Steve Macaulay, California Urban Water Agencies

**DESIGN TRACK-** "Commercial – Industrial Cooling Water Conservation" - Jim Riesenberger, TAS.

**1:30 pm**

**POLICY TRACK -** "Verify Before You Buy: The Truth about Water-Efficient Products" - John Koeller, California Urban Water Conservation Council

**DESIGN TRACK -** "Sustainable Landscaping: An Introduction to the Bay Friendly Landscape Guidelines" - Michael Thilgen, Four Dimensions Landscape Company

**3:00 pm**

**POLICY TRACK -** "California's Water – Energy Relationship" - Gary Klein, California Energy Commission

**DESIGN TRACK -** "Water Climbs to \$100.00 a 'Barrel'. Irrigation Design Strategies for Water Conservation" - Ann Runley, Brookwater Inc.

**4:30 pm**

**POLICY TRACK -** "New Directions in Water Efficiency Policy" - Mary Ann Dickinson, California Urban Water Conservation Council

**DESIGN TRACK -** "An Overview of Smart Water Application Technologies" - David F. Zoldoske, Center for Irrigation Technology at California State University, Fresno

**6:00 pm**

**POLICY TRACK -** "Sources of Future Supply in California and Potential Impacts on Energy Requirements" - Shahid Chaudhry, California Energy Commission

**DESIGN TRACK -** "Water Conservation in Practice" - Patrick Freeman, Sherwood Design Engineers and Peter Haase, Fall Creek Engineering

## Water Utility Sponsors:

**East Bay Municipal Utility District**
