How to Apply

- Read** the Terms and Conditions to determine if you are eligible for a rebate.
- Verify** the product(s) you are going to install meet the eligibility requirements listed in the Residential Rebate Catalog. To obtain a catalog, please visit www.pge.com/rebates or contact a PG&E representative at **1-800-933-9555**.
- Purchase and install** qualifying product(s) during the rebate eligibility term from January 1, 2010 to December 31, 2012, but may be subject to change. Ensure product(s) are installed and operational before submitting your application.
- Complete** the application or apply online at www.pge.com/myhome/erebates. You will need to refer to your PG&E bill and proof(s) of purchase. Incomplete applications cannot be processed.
- Include** proof(s) of purchase. Refer to Proof of Purchase Requirement section.
- Sign** the application.
- Make copies** of all documentation for your records.
- Mail** your completed application and **include the proof(s) of purchase** as soon as possible, since rebates are limited and awarded on a first-come, first-serve basis. Postmark date deadline is March 1, 2013, but may be subject to change.

Mail to:

PG&E Residential Rebates
Integrated Processing Center
P.O. Box 7265
San Francisco, CA 94120-7265

A rebate check is generally mailed six to eight weeks after PG&E receives a completed application including all required documentation. Sign up for "My Account" at www.pge.com/myaccount to check the status online.

This application covers products installed at ONE address. If you are applying for rebates for more than one address, please use separate applications.

Terms and Conditions

1. To be eligible for a rebate in accordance with this residential, business or multifamily application, I must be a customer of Pacific Gas and Electric Company (PG&E) with an active meter and be installing a qualified product(s). All references to the term "install, installation or similar phrases" shall mean that the product is completely installed and is entirely functional and operational.
2. I understand for each product installed:
Residential Customers: the requirement is to complete a separate application for each individual address and Service ID number.
Business Customers: the requirement is to identify each Service ID number on the "Rebate Product Information."
I also agree to provide PG&E with 100 percent of the energy savings for the rated life of the product(s) or for a period of five years from receipt of rebate, whichever is less. If I do not provide the energy savings or if I cease to be a customer of PG&E during the five years, I shall refund a prorated amount of rebate dollars based on the time installed. The rebate may include labor cost only if an outside contractor is hired to perform the work.
Multifamily Customers: the requirement is to identify each individual address on the "Itemized List of products Installed."
I also agree to provide PG&E with 100 percent of the energy savings for the rated life of the product(s) or for a period of five years from receipt of rebate, whichever is less. If I do not provide the energy savings or if I cease to be a customer of PG&E during the five years, I shall refund a prorated amount of rebate dollars based on the time installed.
I also agree that for products such as Low-Flow Showerheads, Interior and Exterior Hardwired Fixtures, T8 or T5 Lamps with Electronic Ballasts, and LED Exit Signs, the rebate may include a combination of the purchase price and installation cost.
3. I understand the rebate eligibility term is from January 1, 2010 through December 31, 2012 ("Term"). The Term may be extended upon approval by the California Public Utilities Commission (CPUC). Products purchased and installed within the Term are eligible for a rebate, provided rebate funding is still available. Funding is available on a first-come, first-serve basis.
4. Rebate offerings and rebate amounts may change without notice during the Term. Resale products, rebuilt, rented or leased less than five years, received from warranty or insurance claims, exchanged, won as a prize, or new parts installed in existing products, do not qualify for any rebate. The terms and the application requirements may be modified or terminated without prior notice. Complete applications must be postmarked and received by PG&E's Integrated Processing Center (IPC) no later than March 1st after the Term.
5. I understand only complete applications can be processed for rebates. Failure to submit a complete application may result in delay or rejection of a filed application. Complete applications must include all required application information, a signature, proof(s) of purchase and other required documentation for all products as referenced in this application. Original applications will become the property of PG&E. PG&E is not responsible for items lost or destroyed in transit through the mail or electronic medium.
6. I will allow, if requested, a representative from PG&E, the CPUC, or any authorized third party reasonable access to my property to verify the installed product before a rebate is paid. I understand a rebate will not be paid if I refuse to participate in any required verification that is scheduled within 30 days of PG&E contacting me. PG&E may contact the product vendor and/or installer, if needed, to verify purchase and/or installation and may provide my name and/or address to third parties to complete this verification.
7. I have installed product(s) in accordance with all applicable federal, state, and local laws, building codes, manufacturer's specifications, and permitting requirements, and, where applicable, have utilized a licensed contractor.
8. I understand the rebate amount cannot exceed the purchase price of the product, nor can it include taxes or shipping-costs. PG&E reserves the right to limit the number of products rebated.
9. I understand I cannot receive a rebate for the same product(s) from more than one California investor-owned utility or other rebates funded with CPUC Public Goods Charge funds. Products discounted by PG&E at the point of sale are not eligible for additional rebates.
10. PG&E MAKES NO REPRESENTATION OR WARRANTY, AND ASSUMES NO LIABILITY WITH RESPECT TO QUALITY, SAFETY, PERFORMANCE, OR OTHER ASPECT OF ANY DESIGN, SYSTEM OR APPLIANCE INSTALLED PURSUANT TO THIS AGREEMENT, AND EXPRESSLY DISCLAIMS ANY SUCH REPRESENTATION, WARRANTY OR LIABILITY. I AGREE TO INDEMNIFY PG&E, ITS AFFILIATES, SUBSIDIARIES, PARENT COMPANY, OFFICERS, DIRECTORS, AGENTS, AND EMPLOYEES AGAINST ALL LOSS, DAMAGE, EXPENSE, FEES, COSTS AND LIABILITY ARISING FROM ANY PRODUCTS INSTALLED.
11. If I am a tenant, I am responsible for obtaining the property owner's permission to install product(s) for which I am applying for a rebate. My signature on this application indicates I have obtained this permission.

Proof of Purchase Requirement

1. Retail Product Receipt/Invoice

Retail product receipts or invoices must be legible and include the following information:

- Retailer or contractor name, address and phone number.
- Itemized listing of each product including quantity, product description, manufacturer, model number, or other identifying information (e.g. SKU number). This must match the requested product information listed on your application
- Purchase price per product.
- Date paid with terms such as, "Paid in Full," "Charge" or "Net 30."
- Date product was installed (if installed by contractor).
- For Insulation Rebates Only:
 - The square footage installed must be clearly listed on the receipt or invoice.
 - The original R-value (if installed by contractor) and the final R-value must be listed on your receipt or invoice. This cannot be handwritten unless signed by the contractor.

2. Home Improvement Contract (HIC)

Depending on your energy-efficiency project, you may need to submit a Home Improvement Contract (HIC) to PG&E along with your proof of purchase.

- The California State License Board (CSLB) requires that licensed contractors provide you with an HIC if the total cost of materials and labor is \$500 or more. It is recommended that you request an HIC from your contractor even if the contractor's product and installation costs are less than \$500.
- If an HIC is your proof of purchase, your contractor must provide this to you, and it must be signed and dated by you and your licensed contractor.
- If the signatures are not dated, the date that the HIC was written will determine the product order/purchase date.

Using a licensed contractor

Many products, such as those in the General Improvements and HVAC categories, require installation by a licensed contractor. For additional information on HIC or the status of your contractor's license, visit www.cslb.ca.gov or call the CSLB at **1-800-321-2752**.
