Advice 2425-G/2307-E

(Pacific Gas and Electric Company ID U 39 M)

Public Utilities Commission of the State of California

**Subject: Non-residential Fixed Charges - Daily Equivalents
(Update and Implementation)**

Pacific Gas and Electric Company (PG&E) hereby submits for filing revisions to its gas and electric tariffs. The affected tariff sheets are listed on the enclosed Attachment I.¹

Purpose

The purpose of this filing is to implement the tariff changes approved by the Commission in Advice 2379-G/2221-E by letter dated May 24, 2002.

Billing by the CorDaptix system commences on December 5, 2002. Therefore, this filing updates PG&E's currently effective rate schedules with the non-residential monthly fixed charges that were approved in Advice 2379-G/2221-E.

Background

As part of its on-going efforts to provide exceptional service to its customers, PG&E is switching from its current billing system to the new CorDaptix system. Earlier this year, PG&E identified tariff improvements that would make the transition to CorDaptix easier and more efficient to implement and received advanced Commission approval through the following series of advice letters:

¹ PG&E reserves all legal rights to challenge the decisions or statutes under which it has been required to make this advice filing, and nothing in this advice filing constitutes a waiver of such rights. Also, PG&E reserves any additional legal rights to challenge the requirement to make this advice filing by reason of its status as a debtor under Chapter 11 of the Bankruptcy Code, and nothing in this advice filing constitutes a waiver of such rights. PG&E reserves all rights to amend or revise its filings before the Commission and other agencies to implement the requirements of the order or orders of the Bankruptcy Court confirming PG&E's plan of reorganization as originally filed on September 20, 2001, and subsequently amended.

Tariff Revisions

PG&E has converted fixed monthly customer and meter charges in its non-residential tariffs to daily equivalents. In addition to the tariffs identified in Advice 2379-G/2221-E, this filing includes electric rate Schedule LS-3 and an additional page from electric rate Schedule S, which were inadvertently omitted from the earlier filing. This filing also corrects the daily equivalent meter charge filed in draft form in Advice 2379-G/2221-E for Rates B and C on Schedule AG-4.
