Advice 2351-E

(Pacific Gas and Electric Company ID U 39 E)

Public Utilities Commission of the State of California

Subject: Submits a Legal Description and a Map of Two Crossings of PG&E's Exclusive Easement by High Winds, LLC

Purpose

In accordance with Ordering Paragraph 2 of Decision (D.) 02-12-026, dated December 5, 2002, Pacific Gas and Electric Company (PG&E) hereby submits for filing a legal description and a map of two crossings of PG&E's exclusive easement by High Winds, LLC (High Winds).

Background

Pursuant to Public Utilities Code Section 851, PG&E filed Application (A.) 02-10-005 on October 7, 2002, and requested Commission authorization to consent to two crossings of a certain PG&E exclusive easement by High Winds in order to construct, operate, and maintain underground facilities for a wind-generating project in southeastern Solano County and to utilize an existing road that crosses PG&E's exclusive easement for ingress and egress. The Commission approved PG&E's request in D. 02-12-026, dated December 5, 2002. Ordering Paragraph 2 of D. 02-12-026 required PG&E to file a legal description and a map of both crossings of PG&E's easement within 60 days of the order.

By letter dated February 3, 2003, the Commission's Executive Director granted PG&E's January 27, 2003, request to extend the compliance deadline for filing the documents to March 3, 2003.
