Advice 2362-E-A

(Pacific Gas and Electric Company ID U 39 E)

Public Utilities Commission of the State of California

**Subject: Revisions to Electric Preliminary Statement Part AE -
Generation Divestiture Transaction Costs Memorandum
Account (GDTCA) – Supplemental Filing**

Pacific Gas and Electric Company (PG&E) hereby submits this supplemental advice filing for filing revisions to its electric tariffs. This supplemental filing is an addendum to Advice 2362-E and the affected tariff sheets are identified in Advice 2362-E and in enclosed Attachment I in that filing.¹

Purpose

In compliance with Decision (D.) 03-02-028, Ordering Paragraph (OP) 3, and at the request of the Commission's Energy Division, PG&E hereby submits this supplemental advice filing to provide clarifying language in the Background section of Advice 2362-E.

The last two sentences in the first paragraph of the Background section of Advice 2362-E state:

A portion of these costs had been transferred to the TCBA upon the interim valuation ordered by the Commission in D. 00-02-048.
The remainder of the approved costs is in the GDTCA balance.

In accordance with Energy Division's request, the language that follows replaces the two identified sentences from Advice 2362-E:

¹ PG&E reserves all legal rights to challenge the decisions or statutes under which it has been required to make this advice filing, and nothing in this advice filing constitutes a waiver of such rights. Also, PG&E reserves any additional legal rights to challenge the requirement to make this advice filing by reason of its status as a debtor under Chapter 11 of the Bankruptcy Code, and nothing in this advice filing constitutes a waiver of such rights.

\$23.5 million of these costs had been transferred to the TCBA upon interim valuation of PG&E's remaining non-nuclear generation assets pursuant to D. 00-02-048. This amount, **including** plus interest, will be transferred to the Costs Deemed Reasonable Subaccount in the GDTCA. The remaining \$11.3 million of the approved costs, plus interest, which are currently recorded in the GDTCA, will be included in the Costs Deemed Reasonable Subaccount.
