Advice 2607-G/2618-E
(Pacific Gas and Electric Company ID U 39 M)

Subject: Revise and Cancel PG&E's Gas and Electric Sample Forms

Public Utilities Commission of the State of California

Pacific Gas and Electric Company (PG&E) hereby submits for filing revisions to its gas and electric (G&E) tariffs. The affected tariff sheets are listed on the enclosed Attachment I.

Purpose

PG&E has determined, in accordance with General Order 96-A, the need to update or cancel, as applicable, its Sample Forms.

Current Forms to be Revised

The following currently effective forms are revised as described below:

1. **Form 62-3799 – Third Party Notification Service (G&E)**
Form 79-1025 – Third Party Notification Service Bill Insert (G&E)

This revised Form 62-3799, was formerly entitled Third Party Notification. If a customer or someone they care for has a problem paying their PG&E bill, they can use this form to request that a third party be notified. The customer and the third party must both sign the form. Third parties are not obligated to pay the bill, and they may be able to bring the situation to the right person's attention.

Bill Insert Form 79-1025 provides that customers may sign up for the service described above by returning the completed insert with their bill payment or by contacting PG&E at 1-800-PGE-5000.

2. **Form 79-1027 – Third Party Notification Letter (15-day) (G&E)**
Form 79-1028 – Third Party Notification Letter (48-Hour) (G&E)

Form 79-1027-- Third Party Notification Letter (15-day) and Form 79-1028--Third Party Notification Letter (48-Hour), replace and expand upon the Third

Party Reminder Form 62-3727. These forms are letters that notify a designated third party if a 15-day notice and/or 48-hour late notice of unpaid charges is issued to a particular customer. This gives the third party the opportunity to contact the customer and/or make arrangements to avoid the disconnection of utility service on the customer's account. The third party is not responsible for payment of the customer's bill(s).

3. Form 79-858 – ID Theft Affidavit – PG&E Account Number (G&E)

This retitled and more comprehensive form supersedes the Disputed Unpaid Closing Bill form. If a customer becomes aware that an unpaid closing bill is in their name and the account was set up without their permission, the customer can submit Form 79-858 with the required documentation so that PG&E can proceed to resolve the matter or take further action to determine if fraud and/or identity theft has occurred.

4. Form 62-4042 – Surety Bond/Bill Guaranty Form (G&E)

So that a customer need not provide a cash deposit as security for the payment for utility service, a guarantor can be designated to pay all current and future bills for utility service provided to the customer by PG&E. This form replaces the previous Form 62-4042--Bill Guaranty. Additional spaces are provided for customer information.

5. Form 62-4107—Unsatisfactory Check Notice (G&E)

This revision dated August 1989 is being added to the gas and electric Tables of Contents – Sample Forms. It slightly revised the form dated February 1985 shown on PG&E's current TOC--Sample Forms.

6. Form 79-803, 79-804, 79-805 and 79-806—Discontinuance of Service – Translations (G&E)

The following forms are updated translations of current Form 79-800—Discontinuance of Service. There are no revisions to the English wording of currently effective Form 79-800.

Form 79-803 – Discontinuance of Service (in Chinese)

Form 79-804 – Discontinuance of Service (in Korean)

Form 79-805 – Discontinuance of Service (in Spanish)

Form 79-806 – Discontinuance of Service (in Vietnamese)

7. Form 79-868—California Gas Transmission Credit Application (Gas Only)

Revised Form 79-868--California Gas Transmission Credit Application, is revised to remove the references to a Third Party Service Provider (TPSP).

The TPSP language derived from the third-party trading platform concept approved in Gas OII D. 00-05-049; however this concept was later extinguished by Gas Accord II. With the exception of this form, PG&E removed the TPSP reference from other tariffs in Advice 2508-G effective January 1, 2004.

Cancelled Forms

PG&E proposes to cancel the following forms and remove them from the gas and/or electric Table of Contents -Sample Forms:

1. **Form 62-5653--Installation Option Selection (E only)**, was used to document the party responsible for installation of PG&E's gas and electric distribution/service facilities for new projects, (PG&E or a qualified contractor). Decision 99-06-079 ordered PG&E to modify its line extension rules to "...reflect the deletion of Option 1, along with the irrevocable option selection requirement." Option 2, *Applicant Installed*, became the only available option, with PG&E providing a bid under the competitive bidding provision. Form 62-0980—*Declarations*, now identifies the party that will perform the work as a result of the Applicant executing Form 79-1003, *Statement of Applicant's Contract Anticipated Costs*, thereby eliminating the need for Form 62-5653.
2. **Form 62-7042 – Deposit Payment Record (G&E)** – As a result of PG&E's switch to the CorDaptix billing system, this form no longer is used. The customer now gets a message on their bill that their deposit has been paid.
3. **Form 79-727– Agreement for Experimental Conjunctive Electric Billing for Primary and Secondary Schools (Existing Metering Option.) (E only)** – PG&E's Conjunctive Billing Program was authorized by Commission Resolution E-3045 dated August 26, 1987. The Resolution authorized two experimental billing options for public and private schools under SIC Code 821. Currently, PG&E does not have any public or private schools on this experimental billing option and the program has been closed.
4. **Form 79-728 – Agreement for Experimental Conjunctive Electric Billing for Primary and Secondary Schools (Facility Allocation Option) (E only)** – See Item 3, above.
5. **Form 79-744 – Declaration of Eligibility for Baseline Quantity (Res. RV Parks) (G&E)** -- This form was replaced by Form 62-3481—*Declaration of Eligibility for a Standard Medical Baseline Quantity*, as filed in Advice 2396-G/2254-E dated July 12, 2002. It is being removed from the G&E Table of Contents – Sample Forms.

6. **Form 79-763 – Experimental Residential Dispatchable Peak TOU Service (E only)** – This form pertains to service under former Schedule E-B7, which was discontinued in Advice 1484-E.
7. **Form 79-840 – Substation Maintenance Services Agreement (E only)** – This agreement was originally approved in Advice 1485-E-A effective September 11, 1995, and the program was extended until March 11, 1996, in Advice 1593-E. This service is no longer offered by PG&E.

Tariff language relating to the following Electric Only forms was deleted in Advice 2439-E, effective December 24, 2003. These forms are being removed from PG&E's electric Table of Contents – Sample Forms:

8. **Form 79-849 – Agreement for the Expansion and Retention of Incremental Electric Load (Six-Year Term)** -- Agreement to attract and retain load within PG&E's service area. In addition, forms were used to defer cogeneration projects. (Advice 1554-E dated November 30, 1995.)
9. **Form 79-850 – Agreement for the Expansion and Retention of Incremental Electric Load (Three-Year Term)** – Same as 79-849, except for a three-year term.
10. **Form 79-851 – Agreement for Attracting Manufacturing Business and Electric Load (Ten-Year Term)** – Agreement to attract and retain load within PG&E's service area.
11. **Form 79-852 – Agreement for Attracting Manufacturing Business and Electric Load (Six-Year Term)** See Item 10, above.
12. **Form 79-853 – Agreement for Deferral of the Construction of Cogeneration Facilities (Five-Year Term)** – Provided a discount to be applied to the Customer's otherwise-applicable rate schedule equivalent to an average rate if customer were to supply its own electric through construction of a cogeneration facility.

Additional Deleted Forms

13. **Form 79-945 – Operating Imbalance Trading Form for Core Transport Agents (G Only)**. This form, originally filed in Advice 2031-G-A in the first Gas Accord proceeding, was used to trade operating imbalances. This form is no longer used now that operating imbalances can be traded with cumulative imbalances using Form 79-762--Imbalance Trading Form for Schedule G-BAL.
14. **Form 79-964 – Enabling Agreement for "Surplus Sale" QF Suppliers (E-only)** – Allowed for additional power to be bought from Qualifying Facilities (QFs) with Power Purchase Agreements. Such business transactions are no

longer conducted. Most recently filed in Advice 1870-E effective August 15, 1999.

Remove Sample Forms from the Table of Contents

The following forms have been cancelled in previous advice letter filings but were not removed from the Table of Contents -Sample Forms:

1. **Form 79-963 – Agreement for Schedule E-BID (E only)**. Schedule E-BID was cancelled in Advice 2234-E effective December 24, 2003. This corresponding form is being deleted from the TOC.
2. **Form 69-0687** under the Rule 3 heading in the Electric Table of Contents – Sample Forms, is being corrected to read **62-0687**.

Third parties are in no way obligated to pay the bill, but they may be able to bring the situation to the right person's attention.

(Turn over for important information.)

Of course, we encourage all of our customers to call us first whenever they foresee problems paying our bill. We can arrange for ways to help.

PACIFIC GAS AND ELECTRIC COMPANY

THIRD PARTY NOTIFICATION SERVICE
FORM NO. 62-3799 (REV 01/05)
(ATTACHED)

(T)
(T)

If you or someone you care for has a problem paying a Pacific Gas and Electric Company bill, you can ask that a "third party" be notified.

Third Party Notification Service*
 *A service for residential customers only

Pacific Gas and Electric Company understands that there may be times when paying bills may be difficult – whether because of illness, financial or language difficulties or other problems. If you or someone you care for should ever have a problem paying our bill, you can request that a "third party" also be notified. That way, if you or the person you're concerned about ever receives a late notice due to an unpaid PG&E bill, the third party would be notified and could call attention to the problem.

The third party could be anyone you or someone you care for selects – a relative, friend, doctor, member of the clergy or neighbor.

Third parties are in no way obligated to pay the bill, but they may be able to bring the situation to the right person's attention.

(Turn over for important information.)

Of course, we encourage all of our customers to call us first whenever they foresee problems paying our bill. We can arrange for ways to help.

If you are interested in our Third Party Notification Service, simply complete this form and return it with your bill payment or send it to:

Pacific Gas and Electric Company
 Correspondence Unit
 P.O. Box 997310
 Sacramento, CA 95899-7310

Please remember that although we will try in good faith to notify a designated third party, we cannot be held liable for failure to do so. In addition, to enter into this agreement, **the third party must also sign the form.**

Pacific Gas and Electric Company
SURETY BOND / BILL GUARANTY

BOND # _____

In consideration of Pacific Gas and Electric Company furnishing gas and/or electric service to _____
(*applicant*) without demanding that the Applicant provide a cash deposit as security for the payment for the Utility Service, I guarantee the prompt payment of all bills due or to become due for the Utility Service provided to Applicant.

If the Applicant does not pay the entire amount due for the Utility Service after Pacific Gas and Electric Company has demanded payment from the Applicant, I will pay all amounts due for Utility Service to Pacific Gas and Electric Company, up to but not exceeding total of _____ (\$ _____).

I authorize Pacific Gas and Electric to transfer any past due closing bill (limited to the amount of this guaranty) for the Utility Service provided to Applicant to my current account or any subsequent account I may have with Pacific Gas and Electric Company. I agree that Pacific Gas and Electric Company may disconnect service to any or all accounts to which the closing bill is transferred if the bill is not paid. (This clause does not apply to bonding and/or insurance company using a surety bond).

I waive notice of acceptance of this guaranty, presentation of bills and other collection notices, and consent without further notice to any extension of time granted to the Applicant for payment of any amount due.

I agree that I cannot require Pacific Gas and Electric Company to pursue any remedy Pacific Gas and Electric Company might have against Applicant as a prerequisite to pursuing any remedy Pacific Gas and Electric Company may have against me under this guaranty.

I agree to pay Pacific Gas and Electric Company all cost and expenses it shall incur associated with collection proceedings, including reasonable attorneys' fees, in the event that Pacific Gas and Electric Company must institute any such proceedings to collect any amount due under this guaranty.

I agree this guaranty will remain in effect until either (1) the applicant's accounts under which the Utility Service is provided are closed, (2) Applicant establishes Credit pursuant to Rule No. 6, or (3) twenty days after Pacific Gas and Electric Company receives a written notice from me of termination of this guaranty sent "return receipt requested" to P.O. Box 8329, Stockton, CA 95208. I guarantee the payment of all amounts due for the Utility Service as of the time of the termination of this guaranty.
