Advice 2637-G/2668-E

(Pacific Gas and Electric Company ID U39M)

**Subject: Revisions to Form 79-1018—Residential Rule 16 Electric/Gas
Single Service Extensions**

Public Utilities Commission of the State of California

Pacific Gas and Electric Company (PG&E) hereby submits for filing revisions to Form 79-1018—Residential Rule 16 Electric/Gas Single Service Extensions, for its gas and electric line extension tariffs for certain single services under Rule 16--*Electric/Gas Service Extensions*. The affected tariff sheets are listed on the enclosed Attachment I.

Purpose

Form 79-1018 provides an easy-to-use two-page letter agreement for specified residential Rule 16 services.¹ PG&E hereby proposes to modify Form 79-1018 to advise the applicant of its choice to design its single service facility or to select PG&E to do the design. Although most single service applicants choose PG&E to design the service to their house, PG&E's revision reiterates their options. The revised form also sets forth the amount of "Design Credit" PG&E will pay if the applicant chooses to design its own single service facility.

PG&E also proposes a sixty-day period after approval of this filing to allow PG&E time to update its training materials and roll out the new form in an orderly manner to PG&E's field personnel.

Proposed Revisions to Form 79-1018

PG&E proposes the following clarifying revisions to Form 79-1018:

1. Revise the second sentence on page 1 of Form 79-1018 to read,
"... by contacting **me**" instead of "your PG&E representative..."

¹ The Commission originally approved Form 79-1018 in Advice 2563-G/G-A/E/E-A effective September 14, 2004.

2. Revise the last sentence of the second paragraph on page 1 to read, "... return the completed SACAC form to **"me"** instead of "PG&E."
3. In the last bullet on page 1, add the language shown in bold as follows: "...along with a check for \$ ____ **to me at the address shown on the second page.**
4. Move the sentence, "PG&E's costs are valid for 90 days from the date of this letter" into the last bullet on page 1 from the paragraph below it.
5. Move into the last bullet on page 1 from the paragraph below the sentence, "If payment is not received within this period, PG&E **reserves the right** to revise these costs."
6. Add a new paragraph after the last bullet on page 1 as follows:
"Also, under the Applicant Design Option provision of PG&E's Gas and/or Electric Rules 15 and 16, you have a choice to design that portion of the new service extension normally designed by PG&E. Should you select this option your Design Credit for this job is \$ _____. PG&E's Applicant Design guidelines are available upon request. Please email or contact me confirming your choice."
7. Add new sentence on page 1 as follows: **"PG&E will energize and/or pressurize electric/gas service to your facility following local jurisdictional approval of your facilities to ensure that they have been installed and inspected in accordance with any applicable laws, codes, ordinances, rules or regulations and are safe to energize and/or pressurize."**
8. On the second page add blanks to identify the PG&E representative and give that person's phone number and email and mailing addresses.

Protests

Anyone wishing to protest this filing may do so by letter sent via U.S. mail, by facsimile or electronically, any of which must be received no later than 20 days after the date of this filing, which is **June 22, 2005**. Protests should be mailed to:

Re: Project Name, Address

Dear Applicant:

This letter describes the costs for new residential gas and/or electric service at the above address. PG&E will provide the service under the provisions of PG&E's Gas and/or Electric Rule 16, as authorized by the California Public Utilities Commission (CPUC), which rule(s) is incorporated by reference. A copy of Rule 16 can be obtained at www.pge.com/tariffs or by contacting me at the number shown on the second page. PG&E's total estimated job costs are shown on the cost summary, also on the second page.

Enclosed is a CPUC-required form, "Statement of Applicant's Contract Anticipated Costs," (SACAC), which identifies PG&E's cost for the refundable service work that is PG&E's responsibility to install on your job. PG&E's costs were developed based on your choices within the application and may change if you change your choices. Under PG&E's Gas and/or Electric Rule 16, you, the Applicant, have a choice: you can do the work, hire a qualified contractor to perform the work or hire PG&E to do the work. You must return the completed SACAC form to me regardless of who does the work.

- If you want to do this work yourself, or to have a qualified contractor do this work, please enter your estimated costs in the section of the SACAC form entitled "Applicant Costs," sign it, return it to PG&E, and PG&E will send you a contract by return mail.
- If you want to do this work yourself or have a qualified contractor do it, and you do not want to give PG&E your estimated costs, please check the box in the section entitled "Applicant's Election Not To Provide Costs," sign, return the SACAC form, and PG&E will send you a contract by return mail.
- If you want PG&E to do this work, check the section "Applicant's Election Not To Provide Costs," sign and return the SACAC form along with a check for \$_____ to me at the address shown on the second page. PG&E's costs are valid for 90 days from the date of this letter. If payment is not received within this period, PG&E reserves the right to revise the cost. This letter will be our contract.⁽¹⁾ PG&E will schedule construction upon receipt of payment. Confirmation will be required from the governmental entity with inspection authority that your facilities have been installed and inspected in accordance with applicable laws, and are safe to energize/pressurize.

Also, under the Applicant Design Option provision of PG&E's Gas and/or Electric Rules 15 and 16, you have a choice to design that portion of the new service extension normally designed by PG&E. Should you select this option your Design Credit for this job is \$_____. PG&E's Applicant Design guidelines are available upon request. Please email or contact me confirming your choice.

PG&E cannot proceed with any work on your application until you sign and return the Statement of Applicant's Contract Anticipated Cost form.
