Advice 2915-E-A
(Pacific Gas and Electric Company ID U39 E)

Public Utilities Commission of the State of California

Subject: Supplemental Filing for First Amendment to the October 12, 2006 Master Power Purchase and Sale Agreement Between Geysers Power Company, LLC and Pacific Gas and Electric Company.

PURPOSE:

Pacific Gas and Electric Company (PG&E) hereby submits to the California Public Utility Commission (CPUC) a supplemental filing for Advice 2915-E, dated October 16, 2006. The purpose of this supplement is to amend certain terms and conditions in the Power Purchase Agreement (PPA) between Geysers Power Company, LLC (Geysers) and PG&E, to conform with the "May not be Modified" Standard Contract Terms and Conditions defined in the CPUC Decision 04-06-014, Appendix A.

On October 31, 2006, the Energy Division informed PG&E that altering the non-modifiable standard terms and conditions is unacceptable. This amendment to the PPA between Geysers and PG&E ensures that the PPA conforms to all non-modifiable Contract Terms and Condition as defined in the Commission Decision 04-06-014, Appendix A.

PG&E provides a copy of the first amendment to the October 12, 2006, PPA in confidential Appendix A.

Protests

Any protests of this supplemental filing are due concurrently with protests for Advice 2915-E, November 6. Additionally, PG&E asks that the comment period be waived since this supplement is simply putting the advice letter into proper compliance to conform with the "May not be Modified" Standard Contract Terms and Conditions. The protest (in written letter format) must state the grounds upon which it is based, including such items as financial and service impact, and should be submitted expeditiously. Protests should be mailed to:

**DECLARATION OF GARRETT P. JEUNG
SEEKING CONFIDENTIAL TREATMENT
FOR CERTAIN DATA AND INFORMATION CONTAINED
IN ADVICE LETTER 2915-E-A
(PACIFIC GAS AND ELECTRIC COMPANY ID U 39 E)**

I, Garrett P. Jeung declare:

1. I am presently employed by Pacific Gas and Electric Company (PG&E) and have been an employee since 2003. My current title is Director within PG&E's Energy Procurement Department. In this position, my responsibilities include managing a department that negotiates power purchase agreements and manages electric portfolio risk. In carrying out these responsibilities, I have acquired knowledge of PG&E's contracts with numerous counterparties, I have also gained knowledge of the operations of such sellers in general and, based on my experience in dealing with facility and contract owners, I am familiar with the type of data and information about their contracts and operations that such parties would consider confidential and proprietary.

2. Based on my knowledge and experience, and in accordance with the "Administrative Law Judge's Ruling Clarifying Interim Procedures For Complying With Decision 06-06-066," issued August 22, 2006, I make this declaration seeking confidential treatment of, "First Amendment to the October 12, 2006 Master Power Purchase And Sale Agreement Between Geysers Power Company, LLC And Pacific Gas and Electric Company," Advice 2915-E-A, submitted on November 2, 2006. By this Advice Letter PG&E is seeking this Commission's approval of an amendment to the October 12, 2006 Master Purchase and Sale Agreement (PPA) between Geysers Power Company, LLC and Pacific Gas and Electric Company.

3. The information for which PG&E is seeking confidential treatment fall into the following general category:

- Contracts and Power Purchase Agreements

4. The category above corresponds to a category of protected, confidential information specified in Appendix 1 Item VII.F of the Commission's confidentiality decision, D.06-06-066 (Confidentiality Matrix), and is protected from public disclosure as provided by category VII.F. of the Confidentiality Matrix.

5. PG&E will comply with the limitations on confidentiality described in the Confidentiality Matrix for the type of data specified in category VII.F.

6. This information is not already public.

7. If the Commission orders disclosure of the Sellers' confidential data that is included in the Advice Letter, PG&E may be hampered in future contract negotiations. Sellers may be more reluctant to negotiate agreements directly with PG&E if they know their confidential, proprietary information must be made public as part of the Commission approval process. Such a circumstance could limit PG&E's ability to obtain customer benefits through direct negotiations with facility owners.

I declare under penalty, under the laws of the State of California, that the foregoing is true and correct. Executed on November 2, 2006, at San Francisco, California.

GARRETT P. JEUNG
