**Advice 2985-E
(Pacific Gas and Electric Company ID U39 E)**

Public Utilities Commission of the State of California

Subject: Fulton - Hopland 60kV Pole Replacement Project, Mendocino and Sonoma Counties

Pacific Gas and Electric Company (the Company) hereby submits notice pursuant to General Order (G.O.) 131-D, Section XI, Subsection B.4, of the construction of facilities that are exempt from a Permit to Construct.

Purpose

This advice letter provides a copy of the Notice of Proposed Construction (Attachment I) and the Notice Distribution List, which comply with the noticing requirements found in G.O. 131-D, Section XI.

Background

The Company plans to replace 10 decaying wood poles along the existing Fulton-Hopland 60 kilovolt (kV) power line in Mendocino and Sonoma Counties. The pole line begins near Healdsburg and trends north towards the junction of Highway 101 and 175 (Hopland Road). Steel poles will be used to replace 9 of the existing poles, and a wood pole will be used to replace the remaining pole. Poles will be up to 5 feet taller than existing poles to allow proper clearance. Work is scheduled to commence in May, 2007, or as soon thereafter as possible, and will be completed by August, 2008, or as soon thereafter as possible.

This project qualifies as exempt from Permit to Construct filing requirements, pursuant to G.O. 131-D, Section III, Subsections B.1.b, and g, which exempts the following:

- b) The replacement of existing power line facilities or supporting structures with equivalent facilities or structures.

- c) Power line facilities or substations to be located in an existing franchise, road-widening setback easement, or public utility easement.

This filing will not increase any rate or charge, cause the withdrawal of service, or conflict with any other rate schedule or rule.

Anyone wishing to protest this filing may do so by letter sent via U.S. mail, by facsimile or electronically, any of which must be received no later than 20 days after the date of this filing, which is **March 6, 2007**, at the following address:
