Advice 2826-G-A/3037-E-A

(Pacific Gas and Electric Company ID U 39M)

Public Utilities Commission of the State of California

Subject: 2007 General Rate Case, Restoration of Service Fee Update

Purpose

Pacific Gas and Electric Company (PG&E) submits this supplemental advice letter to the California Public Utilities Commission (CPUC) to complete PG&E's previously-filed request to increase Restoration of Service Fees to the level approved by the CPUC in PG&E's 2007 General Rate Case.

Background

In Ordering Paragraph 1 of Decision (D.) 07-03-044, *Opinion Approving Pacific Gas and Electric Company's 2007 GRC*, the Commission approved a Settlement Agreement between PG&E and most of the active parties in the 2007 General Rate Case. Paragraph 22 of the Settlement Agreement includes an increase of the Restoration of Service fee for non-CARE customers to \$25.00 during business hours and \$37.50 during non-business hours. CARE customers will continue to pay \$20.00 during business hours and \$30.00 during non-business hours.

On April 13, 2007, PG&E filed Advice 2826-G/3037-E in compliance with D.07-03-044. At that time, PG&E was unable to implement the increase in fees due to programming constraints in its billing system. PG&E stated that it would file a supplemental advice letter to implement the restoration of service fees once the constraints had been corrected. Those constraints have been corrected and PG&E hereby asks permission to implement the fee increase, effective March 31, 2008.

Tariff Revisions

Advice 2826-G/3037-E proposed to modify Gas Rule 11 and Electric Rule 11 to revise the service restoration fee for non-CARE customers to \$25.00 during regular business hours and \$37.50 during non-business hours. The modified tariff sheets from Advice 2826-G/3037-E are attached.
