Advice 3056-E

(Pacific Gas and Electric Company ID U 39 E)

**Subject: Monthly Resource Adequacy (RA) Filing for Compliance-Month
July 2007 Submitted Pursuant to Decision 05-10-042, Opinion on
RA Requirements**

Public Utilities Commission of the State of California

Pacific Gas and Electric Company (PG&E) hereby submits this Advice Letter in compliance with *Decision (D.) 05-10-042, Opinion on Resource Adequacy Requirements* (Decision). PG&E's Resource Adequacy (RA) Filing for compliance month July 2007 is included in Confidential Attachment 3; the signed Certification is included in Attachment 1. In addition, the required California Public Utilities Commission (CPUC) confidentiality declaration for this compliance filing is included as Attachment 2.

The information provided in Attachment 3 is commercially sensitive and confidential protected material and it is being submitted subject to the protections of Section 583 of the California Public Utilities Code and pursuant to the "Second Revised Protective Order Regarding Confidentiality of Market Sensitive Load and Resource Data and Information" that ALJ Wetzell issued in his February 1, 2007, ruling and the California Energy Commission's (CEC) agreement to adhere to that protective order, which the CEC signed on February 14, 2006; and D. 06-06-066, which established Confidentiality standards.

Purpose

The purpose of this Advice Letter compliance filing is to demonstrate that PG&E has acquired sufficient resources to satisfy its 100% commitment obligation for loads plus reserve requirements for June 2007, pursuant to the Decision and subsequent CPUC guidelines.¹

¹ The CPUC's Energy Division (ED) hosted a Monthly RAR Compliance Showing workshop on March 7, 2006. Subsequently, the ED issued written guidance and a template for the RA Reporting Workbook on March 29, 2006.

This advice letter contains:

Attachment 1: *Certification Form of Fong Wan*

Attachment 2: *Declaration of Vincent Loh supporting the confidentiality claims made in this filing.*

Confidential Attachment 3: *RA Reporting Workbook for July 2007.*

The Resource Adequacy Workbook contains commercially sensitive information indicating that PG&E has contracts for sufficient capacity to meet its Resource Adequacy Requirement.

Attachments 2 and 3 are also included in an attached CD containing the Excel file with each workbook.

Background

As specified in D.05-10-042, Section 8.5 and Finding of Fact 43, the month-ahead compliance filing should be submitted on the last day of the second month prior to the compliance month.

On March 29, 2006, the Energy Division (ED) issued a letter entitled "Guidance to all Load-Serving Entities (LSEs) Regarding the Upcoming Monthly Resource Adequacy Requirement Compliance Filings, required by D.05-10-042 in R.04-04-003," including a Monthly Resource Adequacy (RA) Guide and the Monthly Reporting Template Spreadsheet and Instructions. This Advice Letter has been prepared in accordance with the Monthly RA Guide and the Monthly Reporting Template Spreadsheet and Instructions. Furthermore, PG&E incorporate updates since the March 29, 2006, document based on requirements stipulated by the two RA decisions adopted in the summer of 2006,² guidelines set forth by the document titled "2007 Filing Guide for System and Local Resource Adequacy (RA) Compliance Filings,"³ and the e-mail notice provided by the Energy Division on November 28, 2006. Lastly, PG&E used the CAISO's Net Qualifying Capacity Values for Calendar Year 2007- Updated as of January 29, 2007 (<http://www.caiso.com/1833/1833e95e5f760.xls>) as the basis for this filing.

This Advice Letter does not request an increase of any rate or charge, or the withdrawal of service, nor does it conflict with any other schedule or rule.

² Decision (D). 06-06-064, dated June 29, 2006 and D. 06-07-031, dated July 20, 2006.

³ The CPUC's Energy Division released a draft 2007 RA (System and Local) filing guide on July 18, 2006. This guide was updated and released in final form on August 10, 2006.

Protests

In compliance with directives provided through the Energy Division's Monthly RA Guide, dated March 29, 2006, this advice filing is not subject to protests.

Effective Date

PG&E requests that this advice filing be approved effective the date of filing, **May 31, 2007**, pursuant to instruction from the CPUC's Energy Division. Per the March 29, 2006, Energy Division Guidance, RA compliance filings do not require a resolution.

Notice

In accordance with direction from the CPUC's Energy Division, service of this filing is only provided to the CPUC, California Energy Commission (CEC), and California Independent System Operator (CAISO).
