Advice 3074-E-A

(Pacific Gas and Electric Company ID U39 E)

Public Utilities Commission of the State of California

**Subject: Supplemental filing for Procurement of Renewable Energy
Resources Resulting from PG&E's 2006 Renewables Portfolio
Standard Solicitation**

I. PURPOSE

Pacific Gas and Electric Company (PG&E) requests that the California Public Utilities Commission (Commission or CPUC) approve an amendment to the power purchase and sale agreement (PPA) between CalRENEW-1 LLC (CalRENEW) and PG&E. The original PPA resulted from PG&E's 2006 Renewables Portfolio Standard (RPS) Solicitation. PG&E filed the PPA for Commission approval on June 27, 2007 in Advice Letter 3074-E along with two other PPAs that PG&E had executed with developers for eligible renewable energy resources.

Appendix IV to the original PPA between PG&E and CALRENEW entitled, "Project Description Including Description of Site", sets forth the description of the Project Site. The PPA Appendix IV will be replaced in its entirety with the Appendix IV attached to the First Amendment, which is Appendix A to this Advice Letter.

The First Amendment would change the description of the location of the Project Site to accommodate CalRENEW's recently secured lease-option. In addition, CalRENEW's feasibility analysis shows interconnection efficiencies associated with the new Project Site. The new location is a short distance from the original Project Site.

Except for the description of the location of the Site, no other provisions of the PPA have been modified or changed by the First Amendment.

In support of this request, the following confidential information is being submitted under the confidentiality protection of Section 583 of the Public Utilities Code and General Order 66-C. Pursuant to the Administrative Law Judge's Ruling Clarifying Interim Procedures for Complying with Decision 06-06-066, issued August 22,

2006, in Rulemaking 05-06-040, a separate Declaration of Confidential Treatment regarding the confidential information is being filed concurrently with this Advice Letter.
