Advice 3143-E-A

(Pacific Gas and Electric Company ID U39 E)

Public Utilities Commission of the State of California

Subject: Supplemental Filing for Procurement of Renewable Energy Resources Resulting from a Power Purchase Agreement between Shiloh Wind Partners, LLC and PG&E.

Purpose:

Pacific Gas and Electric Company (“PG&E”) hereby submits to the California Public Utilities Commission (“Commission” or “CPUC”) a supplemental filing for Advice Letter 3143-E, dated October 29, 2007. The purpose of this supplement is to amend certain terms and conditions in the power purchase agreement (“PPA”) between PG&E and Shiloh Wind Partners, LLC (“Shiloh II”), to conform to the non-modifiable standard terms and conditions (“STCs”) defined in CPUC Decision (D.) 07-11-025, Attachment A.

D.07-11-025, issued November 19, 2007, adopted language for four non-modifiable STCs that must be included in contracts between electrical corporations and projects selling electricity subject to the Renewables Portfolio Standard (“RPS”). The Commission instructed electrical corporations to, where necessary, file amendments to advice letters currently pending before the Commission to demonstrate that the power purchase agreements contain the non-modifiable language required by D.07-11-025.

The amendment to the PPA between PG&E and Shiloh II ensures that the PPA conforms to all non-modifiable STCs as defined in D.07-11-025, Attachment A.

In support of this supplement, the following confidential information is being submitted under the confidentiality protection of Section 583 of the Public Utilities Code and General Order 66-C. Pursuant to the Administrative Law Judge’s Ruling Clarifying Interim Procedures for Complying with D.06-06-066, issued August 22, 2006 in Rulemaking 05-06-040, a separate Declaration Requesting Confidential Treatment of the confidential information is being submitted concurrently with this supplement.

PG&E provides a copy of the amendment to the PPA in confidential Appendix A.

Confidential Attachment:

Appendix A – Amendment to the PPA

Protests:

PG&E requests that the Commission waive the protest period for this supplemental filing because its purpose is to comply with the Commission's directive that RPS contracts currently pending approval be amended to incorporate the non-modifiable STCs set forth in Attachment A to D.07-11-025.

Effective Date:

PG&E requests that this supplemental filing become effective on **February 28, 2008**.

Notice:

In accordance with General Order 96-B, Section IV, a copy of this supplemental filing excluding the confidential appendix is being sent electronically and via U.S. mail to parties shown on the attached list and the service lists for R.01-10-024 and R.06-05-027. Non-market participants who are members of PG&E's Procurement Review Group and have signed appropriate Non-Disclosure Certificates will also receive the supplemental filing and accompanying confidential attachment by overnight mail. Address changes should be directed to Rose De La Torre (415) 973-4716. Advice letter filings can also be accessed electronically at:

Limited Access to Confidential Material:

The portions of this supplement marked Confidential Protected Material are submitted under the confidentiality protection of Section 583 of the Public Utilities Code and General Order 66-C. This material is protected from public disclosure because it consists of an amendment to the contract, which is protected by the affected utility's declaration pursuant to D.06-06-066. A separate Declaration Requesting Confidential Treatment of the confidential information is filed concurrently herewith.

**DECLARATION OF ALICE HARRON
SEEKING CONFIDENTIAL TREATMENT
FOR CERTAIN DATA AND INFORMATION
CONTAINED IN ADVICE LETTER 3143-E-A
(PACIFIC GAS AND ELECTRIC COMPANY ID U 39 E)**

I, Alice Harron, declare:

1. I am presently employed by Pacific Gas and Electric Company (PG&E) and have been an employee since 2003. My current title is Principal, Energy Supply in the Energy Procurement organization. In this position, my responsibilities include acquisition of power plants. In carrying out these responsibilities, I have acquired knowledge of PG&E's contracts with numerous counterparties, and have also gained knowledge of the operations of such sellers in general and, based on my experience in dealing with facility and contract owners, I am familiar with types of data and information about their contracts and operations that such parties would consider confidential and proprietary.

2. To the best of my knowledge and experience and my understanding of the "Administrative Law Judge's Ruling Clarifying Interim Procedures For Complying With Decision 06-06-066," issued August 22, 2006, I make this declaration seeking confidential treatment of "Appendix A to Advice 3143-E-A," submitted on February 8, 2008. By this supplemental filing, PG&E is supplementing previously filed Advice 3143-E, which seeks this Commission's approval of a PPA that PG&E has executed with Shiloh Wind Partners, LLC.

3. Attached to this declaration is a matrix identifying the data and information for which PG&E is seeking confidential treatment. The matrix specifies that the material PG&E is seeking to protect constitutes the particular type of data and information listed in Appendix 1 (the "IOU Matrix") of D.06-06-066. The matrix also specifies the category or categories in the IOU Matrix to which the data and information corresponds, and why confidential protection is

justified. Finally, the matrix specifies that: (1) PG&E is complying with the limitations specified in the IOU Matrix for that type of data or information; (2) the information is not already public, except the terms and conditions that are non-modifiable according to Decision 07-11-025; and (3) the data cannot be aggregated, redacted, summarized or otherwise protected in a way that allows partial disclosure. By this reference, I am incorporating into this declaration all of the explanatory text in the attached matrix.

I declare under penalty of perjury, under the laws of the State of California, that the foregoing is true and correct. Executed on February 8, 2007, at San Francisco, California.

1	Appendix A - Amendment to the PPA	Y	Item VII G) Renewable Resource Contracts under RPS program - Contracts without SEPs.	Y	Y	Y	This appendix consists of actual pages of the contract. The contract document is protected from public disclosure under Item VII G in the Matrix. Furthermore, the counterparty has an expectation that the terms of the PPA will remain confidential pursuant to confidentiality provisions in the PPA. I am informed and believe that General Order 66-C provides a separate and independent basis for confidential treatment. General Order 66-C includes in its category of records not open to public inspection "Information obtained in confidence from other than a business regulated by this Commission where the disclosure would be against the public interest." (Paragraph 2.8). It is in the public interest to treat such information as confidential because disclosure could impact how counterparties position their negotiations to their favor.	Remain confidential for three years
