Advice 2901-G/3206-E
(Pacific Gas and Electric Company ID U 39 M)

Public Utilities Commission of the State of California

Subject: **Limited One Time Agreement to Perform Tariff Scheduled Related Work for the County of Placer.**

Pacific Gas and Electric Company (PG&E) hereby submits for filing a limited one time agreement modifying PG&E's standard indemnity clause as it appears on Form 62-4527.

Purpose

Approval of indemnity clause as it appears in attached Limited One Time Agreement to Perform Tariff Scheduled Related Work.

Background

Placer County has requested that PG&E relocate certain overhead electric distribution facilities to accommodate the replacement of a bridge. Electric Rule 15.I.1 governs the relocation of distribution facilities. Relocation is generally performed under PG&E's general contract form, Agreement to Perform Tariff Schedule Related Work, Form 62-4527. Placer County has objected to the scope of the indemnity provision in Form 62-4527, and has requested that its obligation to indemnify PG&E be limited to any losses that are caused by or result from Placer County's negligent or intentional acts or omissions. To address this concern, PG&E has agreed to modify the indemnity language found in Form 62-4527 and to use revised language in a limited One Time Agreement to Perform Tariff Scheduled Related Work.

One Time Form 62-4527 Revisions

Please see attached Limited One Time Agreement to Perform Tariff Scheduled Related Work.
