Advice 4019-E-A

(Pacific Gas and Electric Company ID U 39 E)

Public Utilities Commission of the State of California

**Subject: Supplement: Delicato Winery Sole Customer Facility Sale –
Request for Approval under Section 851**

Purpose

Pacific Gas and Electric Company (“PG&E”) hereby submits this supplemental advice filing to provide a signed copy of the Purchase and Sale Agreement for the Delicato Winery Sole Facility Sale (“the Transaction”) and to provide a table that shows the sale price, expenses and tax effects of the Transaction.

Background

In Advice 4019-E, PGE requested an order from the CPUC authorizing PG&E under Public Utilities Code Section 851 to sell certain electric facilities and associated appurtenances to Delicato Winery on the terms and conditions specified in the Purchase and Sale Agreement (Attachment 1 of Advice 4019-E). In submitting Advice 4019-E, PG&E inadvertently included an unsigned copy of the Purchase and Sale Agreement and failed to include a table showing the sale price, expenses and tax effects of the sale as required by Decision 99-12-030. To remedy this omission, PG&E submits this supplemental advice letter to provide a signed copy of the Purchase and Sale Agreement (Attachment 1) and a table showing the sale price, expenses and tax effects (Attachment 2).

2. PURCHASE AND SALE OF FACILITIES.

Subject to the terms and conditions of this Agreement, PG&E agrees to sell, convey, assign, transfer and deliver to Buyer, and Buyer agrees to purchase and acquire from PG&E, all of PG&E's right, title and interest in the Facilities.

3. PURCHASE PRICE AND OTHER COSTS.

3.1 Purchase Price. Subject to adjustment as provided in this Section 3.1, the purchase price ("**Purchase Price**") for the Facilities is One Hundred Twenty Three Thousand Three Hundred Sixty One and 00/100 Dollars (**\$123,361.00**). The Purchase Price is based upon the Facilities existing on the Effective Date. If any additions to or retirements from the Facilities are made after the Effective Date and prior to the Closing Date, the Purchase Price shall be adjusted upward or downward, as the case may be, in accordance with the Reproduction Cost New Less Depreciation method of valuing assets, using five percent (5%) present worth depreciation. PG&E shall provide Buyer with written notice of the adjusted Purchase Price no later than the ten (10) Business Days after the CPUC Approval Date. If the Purchase Price is adjusted upward by more than ten percent (10%), Buyer may terminate this Agreement without further liability by providing written notice to PG&E within ten (10) Business Days of Buyer's receipt of notice of the adjusted Purchase Price.

3.2 Severance Costs. In addition to the Purchase Price, Buyer shall pay to PG&E the sum of Ninety Two Thousand One Hundred Sixty Four and 45/100 Dollars (**\$92,164.45**) to reimburse PG&E for the cost of physically separating the Facilities from the balance of PG&E's distribution facilities ("**Severance Costs**").

3.3 Taxes.

(a) Except for any Excluded Taxes for which Buyer will have no liability, Buyer shall pay all Taxes arising in connection with the sale and transfer of the Facilities (or any part thereof), this Agreement or the transactions contemplated herein, or the receipt of the Purchase Price or other amounts hereunder, regardless of whether levied or imposed on or with respect to PG&E, Buyer or all or any part of the Facilities or any use thereof, and regardless of when such Taxes are levied or imposed. Without limiting the generality of the foregoing, Buyer shall pay PG&E a charge to cover PG&E's estimated liability for federal and state income tax on the severance work, calculated at the tax factor approved by the CPUC for the Income Tax Component of Contributions, if applicable.

(b) State and local personal property Taxes relating to the Facilities for the tax year (ending June 30) will be prorated between Buyer and PG&E on the following basis: PG&E is to be responsible for all such Taxes for the period up to the Closing Date; and Buyer is responsible for all such Taxes for the period on and after the Closing Date. All Taxes assessed on an annual basis will be prorated on the assumption that an equal amount of Taxes applies to each day of the year, regardless of how any installment payments are billed or made, except that Buyer will bear all supplemental or other state and local personal property Taxes which arise out of a change in ownership of the Facilities. In addition, Buyer acknowledges that the Facilities are assessed by the California State Board of Equalization as of January 1 of each year, and, if the Closing occurs between January 1 and June 30, PG&E must pay personal property taxes arising out of the ownership of the Facilities for the subsequent fiscal year. If the Closing occurs between January 1 and June 30, Buyer will deposit with PG&E the full amount to pay personal property taxes for the tax year beginning on July 1, in addition to the prorated amount of personal property taxes for the current tax year (ending June 30), and PG&E will pay the personal property taxes for these tax years before they become delinquent; provided however, that PG&E may pay such taxes in installments as permitted by law. If the personal property taxes for the tax year beginning on July 1 are not available as of the Closing, then the amount due from Buyer to PG&E for such tax year will be estimated on the basis of the prior year's personal property taxes and such amount will be subject to adjustment after the Closing. If the Closing occurs between July 1 and December 31, Buyer will deposit with PG&E the prorated amount of personal property taxes for the tax year in which the Closing occurs and PG&E will pay the personal property taxes for such tax year before they become delinquent; provided however, PG&E may pay such taxes in installments as permitted by law.

(c) PG&E will be entitled to any refunds or credits of Taxes relating to the Facilities that are allocable to the period prior to the Closing Date. Buyer will promptly notify and forward to PG&E the amounts of any such refunds or credits to PG&E within five (5) Business Days after receipt thereof. Buyer will be entitled to a refund of Taxes relating to the Facilities that are allocable to the period on and after the Closing Date. PG&E agrees to reasonably cooperate with Buyer's efforts to obtain such refund.

(d) After the Closing Date, Buyer will notify PG&E in writing, within five (5) Business Days after Buyer's receipt of any correspondence, notice or other communication from a taxing authority or any representative thereof, of any pending or threatened tax audit, or any pending or threatened judicial or administrative proceeding that involves Taxes relating to the Facilities for the period prior to the Closing Date, and furnish PG&E with copies of all correspondence received from any taxing authority in connection with any audit or information request with respect to any such Taxes relating to the Facilities for the period prior to the Closing Date.

(e) Notwithstanding any provision of this Agreement to the contrary, with respect to any claim for refund, audit, examination, notice of deficiency or assessment or any judicial or administrative proceeding that involves Taxes relating to the Facilities for the period either entirely prior to the Closing Date or both prior to and after the Closing Date (collectively, "**Tax Claim**"), the parties will reasonably cooperate with each other in contesting any Tax Claim, including making available original books, records, documents and information for inspection, copying and, if necessary, introduction as evidence at any such Tax Claim contest and making employees available on a mutually convenient basis to provide additional information or explanation of any material provided hereunder with respect to such Tax Claim or to testify at proceedings relating to such Tax Claim. PG&E will control all proceedings taken in connection with any Tax Claim that pertains entirely to the period prior to the Closing Date, and PG&E and Buyer will jointly control all proceedings taken in connection with any Tax Claim pertaining to the period both prior to and after the Closing Date. Buyer has no right to settle or otherwise compromise any Tax Claim which pertains entirely to the period prior to the Closing Date; and neither party has the right to settle or otherwise compromise any Tax Claim which pertains to the period both prior to and after the Closing Date without the other party's prior written consent.

(f) The obligations of the parties pursuant to this Section 3.3 shall survive the Closing.

4. CONDITIONS PRECEDENT.

4.1 Conditions to Buyer's Obligations. Buyer's obligation under this Agreement to purchase the Facilities is subject to the fulfillment or waiver of each of the following conditions precedent:

(a) PG&E shall have performed or complied in all material respects with all covenants, agreements and conditions contained in this Agreement to be performed or complied with by PG&E at or prior to the Closing.

(b) No suit, action or other proceeding shall be pending before any court or Governmental Authority which seeks to restrain or prohibit any of the transactions contemplated by this Agreement or to obtain material damages or other material relief in connection with this Agreement or the transactions contemplated hereby.

4.2 Conditions to PG&E's Obligations. PG&E's obligation under this Agreement to sell the Facilities to Buyer is subject to the fulfillment or waiver of each of the following conditions precedent:

(a) Buyer shall have performed or complied in all material respects with all covenants, agreements and conditions contained in this Agreement to be performed by Buyer at or prior to the Closing.

(b) No suit, action or other proceeding shall be pending before any court or Governmental Authority which seeks to restrain or prohibit any of the transactions contemplated by this Agreement or to obtain material damages or other material relief in connection with this Agreement or the transactions contemplated hereby.

4.3 CPUC Approval. The obligation of each party to close the sale of the Facilities is conditioned upon obtaining CPUC Approval on or prior to the Closing Date. PG&E

shall have the right (but not the obligation) to extend the Estimated Closing Date to obtain CPUC Approval as set forth in Section 6.1. PG&E shall use good faith efforts to obtain CPUC Approval, and Buyer agrees to cooperate with PG&E's efforts to obtain CPUC Approval, including by promptly reviewing and signing the application for CPUC Approval. Buyer acknowledges and agrees that PG&E makes no representation or warranty with respect to the likelihood of obtaining CPUC Approval, and Buyer hereby waives all Claims against PG&E that may arise as a result of the need for CPUC Approval or PG&E's failure to obtain CPUC Approval, unless PG&E did not make a good faith effort to obtain CPUC Approval. If CPUC Approval has not been obtained on or prior to the Estimated Closing Date, as the same may be extended, the provisions of Section 4.4 below shall apply. Nothing in this Section in any way imposes upon PG&E an obligation to accept any term or condition imposed by the CPUC as a condition of its approval which term or condition is not acceptable to PG&E in its sole discretion.

4.4 Satisfaction or Waiver of Conditions. Buyer may waive any of the conditions precedent set forth in Section 4.1, and PG&E may waive any of the conditions precedent set forth in Section 4.2. Neither party shall have the right to waive the condition precedent set forth in Section 4.3. Subject to the foregoing, in the event that any of the conditions precedent set forth in this Section 4 shall not be satisfied or waived on or before the Estimated Closing Date (as the same may be extended), then the party whose obligations are subject to such condition precedent shall have the right to terminate this Agreement upon written notice to the other party, and PG&E and Buyer shall thereupon each be released from all obligations under this Agreement, except those which expressly survive termination.

5. CONDITION OF FACILITIES.

5.1 Prior Inspection. Buyer acknowledges that prior to the execution of this Agreement, Buyer has had ample opportunity to inspect the Facilities and has inspected the Facilities to its satisfaction. Based on Buyer's independent investigation of the Facilities, Buyer has decided to execute this Agreement.

5.2 Compliance with Legal Requirements and Governmental Approvals. Except for (a) CPUC Approval; and (b) PG&E's obligations under Section 6.4; Buyer, at Buyer's sole expense, is responsible for complying with all Legal Requirements and obtaining all authorizations, consents, licenses, permits and approvals of Governmental Authorities and third persons required by applicable Legal Requirements or required by any such third persons in connection with the consummation of the transactions contemplated by this Agreement and with Buyer's operation of the Facilities, whether as a result of the PCB content or otherwise, including all consents to the assignment from PG&E to Buyer of the Facilities (or any portion thereof). Notwithstanding the foregoing, Buyer is responsible for complying with the California Environmental Quality Act ("**CEQA**") to the extent applicable, and satisfying, at Buyer's sole expense, any and all mitigation measures under CEQA that may apply to Buyer's acquisition or operation of the Facilities. Buyer shall promptly notify PG&E of any and all mitigation measures that may affect PG&E. If PG&E determines in good faith that any such mitigation measures may adversely affect PG&E, PG&E shall have the right, without liability to Buyer, to terminate this Agreement upon written notice to Buyer. In the event of such termination, PG&E and Buyer shall each be released from all obligations under this Agreement, except those that expressly survive termination. Buyer's obligations under this Section 5.2 shall survive the termination of this Agreement or the Closing.

5.3 Disclosure Regarding Hazardous Substances. PG&E hereby discloses to Buyer that Potential Environmental Hazards and Hazardous Substances, including

PCBs, may be present at, in, on, under, about, contained in, or incorporated in the Facilities or the Land, or portions thereof. Buyer represents that it is purchasing the Facilities for Buyer's own use, and not for resale. Buyer will continue to use the Facilities substantially in the manner in which they are currently being used for distribution purposes. If Buyer sells the Facilities or the Land, or any part thereof, it shall disclose, in writing, to all potential buyers, prior to the sale, that Potential Environmental Hazards and Hazardous Substances, including PCBs, may be present at, in, on, under, about, contained in, or incorporated in the Facilities or the Land, or portions thereof. Further, in the event the Facilities or the Land (or any portion thereof) are sold, conveyed or transferred in any manner to a person other than PG&E, Buyer shall incorporate in the agreement effectuating such transfer, language substantially in the same form as this paragraph. Buyer's obligations under this Section 5.3 shall survive the Closing.

5.4 Disclaimers Regarding the Facilities. BUYER ACKNOWLEDGES THAT IT IS RELYING UPON ITS OWN INDEPENDENT INVESTIGATION IN DECIDING TO PURCHASE THE FACILITIES. BUYER EXPRESSLY DISCLAIMS RELIANCE ON ANY REPRESENTATIONS, WARRANTIES OR GUARANTIES, EITHER EXPRESS OR IMPLIED, BY PG&E, ITS OFFICERS, DIRECTORS, COUNSEL, REPRESENTATIVES OR AGENTS. WITHOUT LIMITING THE GENERALITY OF THE FOREGOING, PG&E EXPRESSLY DISCLAIMS ANY REPRESENTATIONS OR WARRANTIES OF ANY KIND OR NATURE, EXPRESS OR IMPLIED, AS TO THE CONDITION, VALUE OR QUALITY OF THE FACILITIES, THE PROSPECTS (FINANCIAL AND OTHERWISE) OF THE FACILITIES, THE QUALITY OF WORKMANSHIP OF THE FACILITIES, OR THE ABSENCE OF ANY DEFECTS THEREIN, WHETHER LATENT OR PATENT. PG&E FURTHER SPECIFICALLY DISCLAIMS ANY REPRESENTATION OR WARRANTY REGARDING POTENTIAL ENVIRONMENTAL HAZARDS, THE PRESENCE OF HAZARDOUS SUBSTANCES, COMPLIANCE OF THE FACILITIES WITH ENVIRONMENTAL REQUIREMENTS, OR LIABILITY OR POTENTIAL LIABILITY ARISING UNDER ENVIRONMENTAL REQUIREMENTS. NO SCHEDULE OR EXHIBIT TO THIS AGREEMENT, NOR ANY OTHER MATERIAL OR INFORMATION PROVIDED BY OR COMMUNICATIONS MADE BY PG&E, WILL CAUSE OR CREATE ANY REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED.

5.5 "AS IS" SALE. THE FACILITIES ARE BEING TRANSFERRED "AS IS, WHERE IS, AND WITH ALL FAULTS" IN THEIR EXISTING CONDITION ON THE CLOSING DATE, WITHOUT ANY REPRESENTATIONS OR WARRANTIES OF ANY KIND BY PG&E, EXPRESS, IMPLIED OR STATUTORY, AND WITHOUT RECOURSE AGAINST PG&E, EXCEPT AS SET FORTH IN THIS AGREEMENT. WITHOUT LIMITING THE GENERALITY OF THE FOREGOING, PG&E EXPRESSLY DISCLAIMS: (A) ANY IMPLIED OR EXPRESS WARRANTY OF MERCHANTABILITY; (B) ANY IMPLIED OR EXPRESS WARRANTY OF FITNESS FOR A PARTICULAR PURPOSE; AND (C) ANY IMPLIED OR EXPRESS WARRANTY OF CONFORMITY TO MODELS OR MATERIALS.

5.6 Maintenance of Facilities Pending Closing. From the Effective Date through the Closing Date, PG&E will, at its expense, operate and maintain the Facilities in a manner consistent with PG&E practices.

6. CLOSING.

6.1 Closing Date. The parties estimate that the closing of this transaction (the "**Closing**") will take place on **June 30, 2012** (the "**Estimated Closing Date**"); provided, however, that if the CPUC Approval Date has not occurred prior to the Estimated Closing Date, PG&E shall have the right (but not the obligation) to extend the Estimated Closing Date for up to

an additional one (1) year to obtain CPUC Approval, in which case the Closing Date shall occur on the date specified by PG&E, which date shall be no later than one hundred eighty (180) days following the CPUC Approval Date. If PG&E fails to obtain CPUC Approval prior to the Estimated Closing Date (as the same may be extended), this Agreement shall automatically terminate and except for agreements that expressly survive the termination of this Agreement, all obligations and liabilities of the parties under this Agreement shall terminate. If the conditions set forth in Section 4 have been satisfied (or waived by the party for whose benefit such condition precedent exists) prior to the Estimated Closing Date, the parties may mutually agree to accelerate the Closing Date. In addition, the parties may mutually agree to extend the Closing Date to take into account the scheduling of the final reading of electrical meters, weather conditions that may delay severance work, and other similar matters. The parties shall reasonably cooperate in modifying the Closing Date to accommodate the requirements of the other party, provided that in the event of any emergency situation or for other good cause, PG&E may unilaterally delay the Closing Date for a maximum of forty-five (45) days by written notice to Buyer. Upon request by PG&E, Buyer shall acknowledge the Closing Date in writing; provided, however, that Buyer's failure to execute such acknowledgement shall not affect the Closing Date.

6.2 Delivery of Funds and Documents. The parties shall take the following actions on the respective dates specified below:

(a) Within ten (10) Business Days after written request, Buyer shall pay to PG&E in U.S. dollars the Purchase Price, the Severance Costs, and the Taxes (to the extent the amount owing by Buyer to PG&E is determined as of the date of the request), provided that PG&E shall not request such payment until approximately thirty (30) Business Days prior to the Closing Date.

(b) On the Closing Date, PG&E shall deliver to Buyer an original Bill of Sale duly executed by PG&E. The parties agree that delivery of the Bill of Sale shall be effective upon the earlier of (i) delivery to Buyer by hand of an original Bill of Sale; or (ii) Buyer's receipt of a facsimile transmission of the Bill of Sale as evidenced by electronic confirmation of receipt. If delivery is made by facsimile transmission, PG&E shall concurrently send the original document(s) to Buyer by registered or certified mail or overnight courier.

(c) On the Closing Date, PG&E shall sever the Facilities from the balance of PG&E's distribution system. Buyer hereby acknowledges receipt of the severance engineering drawings, a copy of which is attached hereto as Exhibit D.

6.3 Assumption of Liabilities. Upon the Closing Date, Buyer will assume all obligations and liabilities of any kind or nature whatsoever related to, arising from, or associated with ownership or possession of the Facilities.

6.4 Warranty of Title. PG&E warrants that upon CPUC Approval and execution and delivery of the Bill of Sale, Buyer shall have good title to the Facilities, free and clear of all liens and encumbrances.

6.5 Survival. The covenants, agreements, and obligations of PG&E and Buyer contained in Section 6.3 and Section 6.4 shall survive the Closing.

7. RELEASE.

7.1 Release. Buyer, for itself, and for any future owners or holders of all or a part of the Facilities and/or the Land, and each of their respective predecessors, successors, assigns, licensees, officers, directors, employees, agents, partners, shareholders, transferees, parent and subsidiary corporations, legal representatives, heirs, beneficiaries, executors and administrators hereby fully and forever releases, exonerates, discharges and covenants not to sue PG&E Parties of, from and for any and all losses (including diminution in the value of the Land and other consequential damages), costs, claims, demands, actions, suits, orders, causes of action, obligations, controversies, debts, expenses, accounts, damages, judgments and liabilities of whatever kind or nature (including fines and civil penalties), and by whomsoever asserted, in law, equity or otherwise, whether known or unknown, (each a "**Claim**" and, collectively, "**Claims**") arising from or in any way connected with the Facilities, including Claims relating to PG&E's maintenance of the Facilities prior to the Closing, Claims relating to Potential Environmental Hazards, and Claims relating to the presence of PCBs or any other Hazardous Substances in the Facilities and/or in, on or about the Land.

7.2 Statutory Waiver. Buyer acknowledges that it may hereinafter discover facts different from or in addition to those, which it now knows or believes to be true with respect to the matters that are the subject of this Agreement, and agrees that this Agreement shall remain in effect in all respects, notwithstanding the discovery of such different or additional facts. In addition, Buyer understands and agrees that its agreements and covenants contained in this Agreement extend to all Claims of any nature and kind, known or unknown, suspected or unsuspected, based in whole or in part on facts existing in the past or as of the date hereof, and in that regard, Buyer acknowledges that it has read, considered and understands the provisions of Section 1542 of the California Civil Code which reads as follows:

Section 1542. General Release

A general release does not extend to claims which a creditor does not know or suspect to exist in his favor at the time of executing the release, which if known by him must have materially affected his settlement with the debtor.

Based upon the advice of its counsel, Buyer knowingly and voluntarily waives and relinquishes any and all rights that it may have under Section 1542 as well as under the provisions of all comparable, equivalent, or similar statutes and principles of common law or other decisional law of any and all states of the United States or of the United States. Buyer understands and acknowledges the significance and consequences of this waiver and hereby assumes the risk of any injuries, losses or damages which may arise from such waiver.

7.3 Survival. The releases, covenants, agreements, and obligations of Buyer contained in Section 7.1 and Section 7.2 shall survive the termination of this Agreement or the Closing.

8. INDEMNITY. Buyer agrees and covenants, at its sole cost and expense, to indemnify, protect, defend and hold the PG&E Parties harmless, to the fullest extent permitted by law, from and against any and all Claims (including the payment of damages, both actual and consequential, the payment of penalties and fines, the payment of the actual fees and expenses of experts, attorneys and others, and the payment of the cost of environmental investigations, monitoring, containment, abatement, removal, repair, cleanup, restoration, remedial work and

other "response costs" under CERCLA or any other Environmental Requirements) arising from or in any way connected with: (a) any inspection of the Facilities, or activities conducted in connection therewith by Buyer, its employees, agents, or contractors prior to the Closing, including Claims arising from the passive or active negligence of PG&E Parties; or (b) the ownership, possession, use or operation of the Facilities from and after the Closing; or (c) Potential Environmental Hazards relating to the Facilities or (d) the presence, disposal, dumping, escape, seepage, leakage, spillage, discharge, emission, pumping, emptying, injecting, leaching, pouring, release or threatened release of PCBs or any other Hazardous Substances which occur on or after the Closing Date in connection with the Facilities; or (e) violation of any Legal Requirements which occur on or after the Closing Date. Notwithstanding anything to the contrary in this Section 8, Buyer shall not be required to indemnify, protect, defend or hold PG&E Parties harmless from or against any Claims that are brought by current or former employees of PG&E, their heirs, beneficiaries, executors or administrators, and which relate to such employees' activities in connection with the Facilities within the scope of their employment by PG&E. If any action or proceeding is brought against any one or more PG&E Parties for any Claim against which Buyer is obligated to indemnify or provide a defense hereunder, Buyer, upon written notice from PG&E, shall defend such action or proceeding at Buyer's sole expense by counsel approved by PG&E, which approval shall not be unreasonably withheld, conditioned or delayed. Buyer's obligation to defend the PG&E Parties includes the obligation to defend claims and participate in administrative proceedings, even if they are false or fraudulent. The covenants, agreements and obligations of Buyer contained in this Section 8 shall survive the termination of this Agreement or the Closing.

9. MISCELLANEOUS.

9.1 Time of Essence. Time is of the essence of this Agreement and each and every provision hereof.

9.2 Further Assurances. Each party hereto agrees to execute and deliver to the other party such further documents or instruments as may be necessary or appropriate in order to carry out the intentions of the parties as contained in this Agreement.

9.3 Binding Effect; Assignment. This Agreement shall be binding upon, and shall inure to the benefit of, the heirs, successors and assigns of the parties hereto.

9.4 Severability. If any provision of this Agreement shall be unenforceable or invalid, the same shall not affect the remaining provisions of this Agreement and the provisions of this Agreement are intended to be and shall be severable; provided, however, if such unenforceability or invalidity alters the substance of this Agreement (taken as a whole) so as to deny either party, in a material way, the realization of the intended benefit of its bargain, such party may terminate this Agreement by notice to the other within thirty (30) Business Days after the final determination. If such party so elects to terminate this Agreement, PG&E and Buyer shall thereupon each be released from any obligations under this Agreement, except those that expressly survive termination.

9.5 Governing Laws. This Agreement shall be governed by, and construed and enforced in accordance with, the laws of the State of California.

9.6 Counterparts. This Agreement may be executed in two or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

Any party may change its address for notice by giving notice to the other party in accordance with this Section 9.7.

9.8 Attorneys' Fees. In the event that either party shall bring an action to enforce its rights under this Agreement, the prevailing party in any such proceeding shall be entitled to recover its reasonable attorneys' fees, costs and expenses (including accountants', consultants' or other professionals' fees, investigation expenses and any and all other out-of-pocket expenses), including in connection with any appeal thereof. Any such attorneys' fees and expenses incurred by either party in enforcing a judgment in its favor under this Agreement shall be recoverable separately from and in addition to any other amount included in such judgment, and such attorneys' fees obligation is intended to be severable from the other provisions of this Agreement and to survive and not be merged into any such judgment. For purposes hereof, the reasonable fees of in-house attorneys who perform services in connection with any such enforcement action are recoverable. The covenants of PG&E and Buyer contained in this Section 9.8 shall survive the termination of this Agreement or the Closing.

9.9 Limitation on Liability. Buyer expressly agrees that the obligations and liabilities of PG&E under this Agreement and any document referenced herein shall not constitute personal obligations of the officers, directors, employees, agents, affiliates, members, representatives, stockholders or other principals or representatives of PG&E. The limitations contained in this Section 9.9 shall survive the termination of this Agreement or the Closing.

9.10 Statute of Limitations. Any action by Buyer arising out of or in any way connected with the sale contemplated by this Agreement, whether sounding in tort, contract, strict liability or otherwise, must be commenced within two (2) years after the cause of action therefor has accrued.

All arbitration proceedings shall be conducted in San Francisco, California. Each party in any proceeding shall bear its own costs. The substantive law applied in the arbitration shall be the laws of the State of California without regard to its conflict of law principles, unless the claims or defenses raise issues of federal law in which case federal substantive law shall apply to those particular claims or defenses. The arbitrator shall be bound to apply the substantive law, and shall also be empowered to hear and determine dispositive motions, including motions to dismiss and motions for summary judgment. The arbitrator shall not be authorized to award any damages not permitted under Section 9.12.

9.13 Interpretation. The language in all parts of this Agreement shall be construed according to its normal and usual meaning and not strictly for or against either PG&E or Buyer.
