Advice 4312-E

(Pacific Gas and Electric Company ID U 39 E)

Public Utilities Commission of the State of California

Subject: Submittal of Electric Service Provider (ESP) Financial Security Requirements in Compliance With D.13-01-021, D.13-02-017, and D.13-04-001

Pacific Gas and Electric Company (PG&E) hereby submits its calculation of the financial security requirements for the ESPs serving customers within its service territory.

Purpose

In compliance with Ordering Paragraph (OP) 6 of Decision (D.) 13-01-021, this advice filing is to provide the California Public Utilities Commission (Commission) with the updated ESP financial security requirements.

Background

On January 24, 2013, the Commission issued D.13-01-021, which adopted a methodology to derive incremental procurement costs for the financial security requirement and re-entry fees for an involuntary return of Direct Access (DA) residential and small commercial customers. On February 25, 2013, the Commission issued D.13-02-017 and on April 2, 2013, the Commission issued D.13-04-001. These two decisions corrected inadvertent technical errors in D.13-01-021.

OP 6 of D.13-01-021 required the Investor Owned Utilities to update the applicable ESP financial security amounts by the 10th of May and November¹ of each year and to submit them in a Tier 2 Advice Letter.

Attachment B contains a table showing, by ESP, the calculated financial security amount based upon the methodology adopted in Appendix 1 of D.13-01-021. The table

¹ November 10, 2013, is a Sunday and November 11 is Veteran's Day and is a recognized holiday by the Commission. Commission Rules of Practice and Procedure Rule 1.15 provides that when the last day falls on a Saturday, Sunday, holiday, or other day when the Commission offices are closed, the time limit is extended to include the first day thereafter. Therefore, this advice letter is timely submitted.

has been redacted of any confidential ESP data utilized in the calculation. An unredacted version with the relevant supporting data and calculation of each respective ESP's financial security amount will be filed under confidential seal to the Energy Division. A Declaration supporting confidential treatment is found in Attachment A.

The version of this advice letter posted at www.pge.com is redacted.
