ADVICE 2241-G/2007-E

Public Utilities Commission of the State of California

Pacific Gas & Electric Company (the Company) hereby requests Commission approval to include seven (7) additional sites in the Hazardous Substance Cost Recovery Account as referenced within gas and electric Preliminary Statements Part AN and Part S -- *Hazardous Substance Mechanism*, in compliance with Decision (D.) 94-05-020. A description of each site is set forth in Attachment I to this filing. The sites are as follows:

Site Name	Location
1. Former Antioch Gas District Maintenance Office	Antioch, California
2. Chico Service Center	Chico, California
3. Harris Yacht Harbor	Bay Point, California
4. Former Madera Service Center	Madera, California
5. Martinez Station 1	Martinez, California
6. Piedmont Substation "E"	Piedmont, California
7. Pt. Richmond Gas Holder	Pt. Richmond, California

Decision 94-05-020 requires California utilities to file an advice letter in order to include additional sites as part of the Hazardous Substance Mechanism. For each site the advice letter shall list: 1) the name of the site(s); 2) the location of the site(s); 3) the source, nature and approximate date of the contamination; 4) utility operations (historical and current) at the site(s), if any; and 5) environmental agency actions and oversight regarding the site(s), if any.

In addition, Decision 96-07-016 requires utilities to demonstrate that: 1) clean-up costs for which recovery is being sought are not being recovered through base rates or through any other recovery procedure, and 2) all of the costs for which recovery is being sought are hazardous waste clean-up costs (including insurance costs) found appropriate for recovery in the Collaborative Report. The above requirements are set forth in Attachment II to this filing.

In accordance with Decision 94-05-020, this advice letter shall be treated as a compliance filing under General Order 96-A for Commission approval within 40 days after the filing, **July 15, 2000**, if no protest letters are received. If protests are received, the Commission will either issue a resolution, or require the utility to file an application seeking inclusion of specified costs in the Hazardous Substance Mechanism.
