**Advice 2366-G**

(Pacific Gas and Electric Company ID U 39 G)

Public Utilities Commission of the State of California

**Subject: Updates Service Territory Maps in Kern County, California**

Pacific Gas and Electric Company (PG&E) hereby submits for filing revisions to its gas tariffs. The affected tariff sheets are listed on the enclosed Attachment I.<sup>1</sup>

**Purpose**

The purpose of this filing is to update PG&E's service area maps in Kern County, California, as ordered in Resolution (R.) G-3197, in which the Commission orders PG&E and Southern California Gas Company (SoCalGas) to file an advice letter including service area maps reflecting that SoCalGas has the authority to serve the McAllister Ranch residential development as part of their service territory located in Kern County.<sup>2</sup>

The attached maps contain a land description of PG&E's and SoCalGas's Kern County service territory in the Castle and Cook Grand Island Development in the north and south center section line of T30S, R26E, Sections 11 and 12. The attachments associated with the new and old boundaries of the gas service territory of PG&E and SoCalGas are in the area bound by Allen Road, Ming Avenue, Buena Vista Road and White Lane.

This filing will not affect any rate or charge, cause the withdrawal of service, or conflict with any other rate schedule or rule.

---

<sup>1</sup> PG&E's Advice Letter is not a waiver of, or made without prejudice to, its rights as a debtor in possession under Chapter 11 of the United States Bankruptcy Code.

<sup>2</sup> The original Kern County Service Area Agreement between PG&E and SoCalGas was approved in Decision 62681 on October 17, 1961. The parties have requested and received Commission approval for further revisions to the service area since the original agreement. SoCalGas filed Advice 2585 showing the new boundaries for PG&E and SoCalGas. This filing is for the purpose of updating PG&E's service territory maps in its tariff book.

**Effective Date**

PG&E requests that this filing be approved on regular notice, **February 19, 2002**, which is 40 days after the date of this filing.

**Notice**

In accordance with General Order 96-A, Section III, Paragraph G, a copy of this advice letter is being sent electronically and via U.S. mail to parties shown on the attached list. Copies of Kern County service territory maps filed herein are being supplied to the Commission and are available upon written request to PG&E at the above address. Address changes should be directed to Nelia Avendano at (415) 973-3529. Advice letter filings can also be accessed electronically at:
