Electric Energy Service Providers (ESPs)

As of October 17, 2003

Below is a list of ESPs currently authorized to provide electricity to customers in Pacific Gas and Electric Company's service territory. All of these ESPs have signed service agreements with Pacific Gas and Electric Company.

Only those marked with an asterisk (*) currently serve customer load in PG&E's service area. Other ESPs may accept new customers. To determine if an ESP is currently accepting new customers, you should contact the ESP directly.

In addition, ESPs serving residential and small commercial customers (accounts under 20 kW) must register with the California Public Utility Commission (CPUC). Registered ESPs must provide residential and small commercial customers with information about their rates and services. This is known as a Section 394.5 notice. A plus sign (+) next to the ESP's name indicates that it is on the CPUC's list of registered ESPs.

More information regarding CPUC registered ESPs can be found at the CPUC Internet site at: http://www.cpuc.ca.gov/Published/ESP_Lists/esp_udc.htm
