**Advice 2536-G  
(Pacific Gas and Electric Company ID U 39 G)**

Public Utilities Commission of the State of California

**Subject: Revise Applicability Section of Gas Mobilehome Park Service  
Rate Schedule GT**

Pacific Gas and Electric Company (PG&E) hereby submits for filing revision to its gas tariff. The affected tariff sheet is enclosed.

**Purpose**

The purpose of this filing is to add language to the Applicability section of gas rate Schedule GT that was inadvertently omitted when Advice 2004-G/1649-E was approved. This language is exactly the same as the language that was added to the Applicability section of electric rate schedule ET in the same advice letter.

**Tariff Revision**

Advice 2004-G/1649-E closed gas rate Schedule GT (and electric rate Schedule ET) to new mobilehome parks and manufactured housing communities for which construction commenced after January 1, 1997. This advice letter was approved effective February 4, 1997. PG&E inadvertently did not update the Applicability section of gas rate Schedule GT at that time. Schedule GT is revised in this filing to add the missing language.

Anyone wishing to protest this filing may do so by sending a letter by **May 2, 2004**, which is 20 days from the date of this filing.
