**Subject:** Revisions to Form 79-753--Compressed Natural Gas Fueling Agreement, and Form 79-755--Agreement for Transportation of Natural Gas for Compression as a Motor-Vehicle Fuel

**Public Utilities Commission of the State of California**

Pacific Gas and Electric Company (PG&E) hereby submits for filing revisions to its gas tariffs. The affected tariff sheets are listed on the enclosed Attachment I.

**Purpose**

The purpose of this filing is to revise PG&E's Form 79-753--Compressed Natural Gas Fueling Agreement, and Form 79-755--Agreement for Transportation of Natural Gas for Compression as a Motor-Vehicle Fuel, including the form exhibits for fueling natural gas vehicles.

**Background**

PG&E's experimental natural gas vehicle program was established in 1991 to offer compressed natural gas (CNG) service to existing Natural Gas Vehicle (NGV) markets. The sale of fuel by utilities for NGV use is a fully-regulated activity under Commission jurisdiction.

**Form Revisions**

PG&E proposes the following modifications to Form 79-753 and 79-755:

1. Modify Form 79-753 -- Compressed Natural Gas Fueling Agreement, to update the distribution list at the top of the first page. In the first two paragraphs (Sections 1 and 2), remove the wording "the supply of" and "service". This revision clarifies that customers signing the agreement can procure their gas supply from either PG&E or a third-party supplier such as a Core Transport Agent.

2. Form 79-753, Exhibit A, add new lines 12 and 13 for emergency procedures requirements.
3. Modify the Agreement for Transportation of Natural Gas for Compression as a Motor Vehicle Fuel (Form 79-755) to update the distribution list at the top of the first page and change wording in the form title from "supply" to "transportation".
4. Modify both agreements and their exhibits to update the distribution list and account number terminology at the top of the certificate.
5. Change Section 6 (Form 79-755) to remove text regarding regulation of gas by PG&E on the Customer's side of the point of delivery. PG&E regulates customer gas only up to the meter.
6. Change Section 7 (Form 79-755) to update "calendar month" to "billing period".
7. Change text in Section 9 (Form 79-755) from "the Customer" to "...on the day PG&E's gas meter is installed".
8. Change Sections 8 and 10 (Form 79-755) and Exhibit A, to include PG&E's Clean Air Transportation (CAT) 1-800 toll free Hotline telephone number for customer address changes.

Exhibits may be amended from time-to-time in accordance with this Agreement. All applicable PG&E gas rules in effect at the time of execution and any amendments thereto during the term of this Agreement are incorporated in this Agreement by reference.
