Advice 2676-G
(Pacific Gas and Electric Company ID U39G)

**Subject: Delete Gas Preliminary Statement Part Z—Energy Efficiency
California Energy Commission Memorandum Account**

Public Utilities Commission of the State of California

Pacific Gas and Electric Company (PG&E) hereby submits for filing revisions to its gas tariffs. The affected tariff sheets are listed on the enclosed Attachment I.

Purpose

The purpose of this filing is to delete gas Preliminary Statement Part Z – *Energy Efficiency California Energy Commission Memorandum Account* (EECECMA) from its gas tariffs. The original purpose of the EECECMA account was to track funds sent by PG&E to the CEC from October 1999 through December 2002 to fund an update to the Database for Energy Efficient Resources (DEER) and a Market Assessment and Evaluation study. The EECECMA also tracked any refunds that might occur. In 2002, having met all funding requirements to the CEC, and in accordance with Decision (D.) 02-10-019, in Advice 2298-E PG&E deleted electric EECECMA Preliminary Statement Part D from its tariffs, but did not delete the gas equivalent of this account from its gas Table of Contents – Preliminary Statements, or its electronic Web Tariff Book. Therefore, PG&E requests approval to do so in this advice filing.

In March 2005 PG&E received a refund from the CEC of unused funds originally intended for the studies mentioned. In D. 05-10-024, the Commission notes that the EECECMA no longer exists and allows for deposit of the refund into Preliminary Statement Part BA--*Public Purpose Program Surcharge—Energy Efficiency* (PPP—EE). As no additional payments or refunds are to be made, there is no longer a need for gas Preliminary Statement Part Z.
