**Advice 2726-G/2823-E
(Pacific Gas and Electric Company ID U 39 M)**

Public Utilities Commission of the State of California

Subject: Update of Service Provider Lists

Purpose

As directed in Affiliate Rule IV.C.2, (Decision 97-12-088), Pacific Gas and Electric Company hereby submits its semi-annual update of its lists of service providers. As of October 29, 2004, Pacific Gas and Electric Company no longer has any energy affiliates, therefore the lists contain third party entities who are not affiliated with Pacific Gas and Electric Company. Pacific Gas and Electric Company requests authorization to continue to offer the following lists to its customers. The most recent lists were filed on November 1, 2005 in Advice Letter 2672-G/2729-E.

- Super List: List of service providers (Attachment A). This list is provided to customers or third parties requesting information about gas or electric service providers. Per CPUC Decision D.03-12-015, all Electric Service Providers (ESPs) that offer electric service to customers in California are required to register with the CPUC.
- Electric Service Providers List (Attachment B);
- Natural Gas Suppliers List (Attachment C); and
- Core Transport Agent (CTA) List (Attachment D)

All the lists mentioned above are periodically updated as needed.

This filing will not increase any rate or charge, cause the withdrawal of service, or conflict with any rate schedule or rule.
