Advice 2920-G/3255-E

(Pacific Gas and Electric Company ID U 39 M)

Public Utilities Commission of the State of California

**Subject: Request for Approval to Transfer Program Year (PY) 2007
Unspent Electric Low Income Energy Efficiency (LIEE)
Carryover Funds**

Pacific Gas and Electric Company (PG&E) requests approval to transfer unspent 2007 electric funding from the Electric Public Purpose Programs Low Income Balancing Account (Electric PPPLIBA) to the Gas PPPLIBA balance to correct for under spending on electric LIEE measures and over spending on gas LIEE measures. PG&E also requests approval to shift unspent electric LIEE funding from Program Year (PY) 2007 to PY 2008 to fund LIEE Measures.

Background

On June 30, 2006, PG&E filed A.06-06-034, for the 2007 – 2008 LIEE and CARE Programs. This Application was approved in D.06-12-038, in which Ordering Paragraph 15 stated, “[t]he utilities may carry over funds from previous periods to the 2007 – 2008 budget periods but may not allocate carry-over funds to administrative overhead costs, regulatory costs or the costs of studies as set forth herein.” Further, Ordering Paragraph 17 authorizes the utilities to “shift funds between LIEE programs so as to promote the efficient and effective implementation of the LIEE program, but may not shift additional funds to administrative overhead costs, regulatory costs or the costs of studies as set forth herein.”

Transfer of Unspent 2007 Electric Funds to Make Whole 2007 Gas Program Budget and to Fund PY 2008 Administrative Costs

As of March 31, 2008, PG&E has \$5,952,176 in net unspent 2007 LIEE carryover funding. This consists of overspending of \$1,830,706 in the Gas PPPLIBA relative to the approved 2007 gas program budget and under spending of \$7,782,882 in the Electric PPPLIBA relative to the approved electric program budget. In this advice letter, PG&E requests approval to transfer a total of \$1,830,706 of the remaining balance from the PY 2007 Electric PPPLIBA to the Gas PPPLIBA. This will allow PG&E to reconcile the overspending of the 2007 gas program budget by transferring \$1,830,706 in unspent 2007 electric funding from the Electric PPPLIBA to the Gas PPPLIBA. The remaining \$5,952,176 in unspent 2007 electric funds will be carried over to the 2008 LIEE electric program budget pursuant to Ordering Paragraph 15 of D.06-12-038. This advice letter does not request the shifting of any funds to administrative overhead costs, regulatory costs, or the costs of studies. There are additional administrative costs that will have been expended in 2008 because of the nature of the statewide strategic plan and the associated planning activities. Administrative Law Judge approval will be sought for the transfer of those funds.
