

ELECTRIC RULE NO. 22.2
 DIRECT ACCESS SERVICE FOR QUALIFIED NONPROFIT CHARITABLE ORGANIZATIONS

Sheet 1

The following terms and conditions apply to both PG&E customers who are declared eligible for direct access service under Section A (below) and electric Energy Service Providers (ESP) who participate in Direct Access (DA) service as defined in Rule 22.

(N)

The following rules implement California State Senate Bill (SB) 423 (California Public Utilities Code section 395.5) which authorizes nonprofit charitable organizations whose primary purpose is serving the needs of the poor or elderly to acquire electric commodity service through a direct transaction with an ESP until December 31, 2009. Pursuant to Decision 05-12-041, customers receiving Direct Access Service, Transitional Bundled Service or Bundled Portfolio Service may be automatically enrolled in a Community Choice Aggregation Program as described in Rule 23.

A. Customer Eligibility

1. The customer must be a non-profit charitable organization as described in Section 501(c)(3) of the federal Internal Revenue Code and has as its primary purpose serving the needs of the poor or elderly.
2. Customer must have entered into an agreement for DA service with an ESP and the electric commodity service must be donated free of charge by the ESP without compensation under the terms and condition of that Agreement.
3. The customer and ESP must complete and submit a declaration confirming eligibility under Sections A.1 and A.2, above, in a form acceptable to PG&E.

B. General Terms

1. Customers electing to switch to DA service will be subject to the Direct Access rules and provisions set forth in Rule 22 and 22.1, except as otherwise provided by this Rule.
2. Customers electing to switch to DA service will be subject to the provisions and applicable charges of rate Schedule CCA CRS in lieu of Schedule DA CRS, where applicable.
3. The customer must continue to meet all of the requirements identified above in Section A for any subsequent switches between ESPs.
4. In advance of providing service to the first non-profit charitable organization under this rule, PG&E will require three (3) months after it receives a declaration, as identified in Section A, to implement the required infrastructure changes for this new DA service option.
