

ELECTRIC RULE NO. 4
CONTRACTS

Sheet 1

Contracts will not be required as a condition precedent for service except:

1. As may be required by conditions set forth in the regular schedule of rates approved or accepted by the Railroad Commission of the State of California.
2. In the case of electric extensions, temporary service, or service to speculative projects, in which case a Contract may be required. (T)
3. In the case of street lighting service, in which case a contract may be entered into for a period not to exceed five years.
