Location: _____ City: _____ Time of day: _____

While working at your premises today, a PG&E representative observed the following **UNSAFE AND HAZARDOUS** condition involving your gas/electric equipment.

Equipment type: _____ Make: _____ Model/Serial No: _____

The condition and maintenance of your equipment is your responsibility. However, to assist you in protecting yourself from a **HAZARDOUS** condition, the following action was taken:

1. _____ The equipment was disconnected.
2. _____ A portion of the equipment was shut off at the orifice/electric circuit breaker/switch.
3. _____ The supply was turned off or not turned on at the gas/electric meter.

(We recommend the corrections be made by a qualified repairman)

When the **HAZARDOUS** condition has been corrected, PLEASE CALL PG&E _____

1. _____ For an appliance safety check after your repairman has made repairs and reconnected the gas/electric equipment.
2. _____ For a gas/electric turn on at the meter and an appliance safety check.

For information regarding inspection requirements, contact your local city/county offices.
