

GAS PRELIMINARY STATEMENT PART T
TAX REFORM ACT OF 1986

Sheet 1

T. TAX REFORM ACT OF 1986: As a result of Order Instituting Investigation No. 86-11-019, the California Public Utilities Commission's investigation into the effect on California utility customers resulting from the Federal Tax Reform Act of 1986, the Commission issued Decision No. 88-01-061 and Resolution No. E-3105, dated January 28, 1988, and August 24, 1988, respectively. Several tariff sheets contained in PG&E's book of Rate Schedules and Rules have been approved by the Commission as a result of these orders, establishing several adjustments in rates and rules. In particular, Resolution No. E-3105 ordered the following: "These rates remain subject to further adjustment and/or refund, with interest, pending Commission review of compliance with Decision No. 88-01-061, pursuant to Ordering Paragraph 14 thereof."
