WHAT IMPACT LOOKS LIKE IN OUR COMMUNITIES

ECONOMIC & COMMUNITY VITALITY

FOOD INSECURITY: Partnered with 40 county and tribal food banks and nonprofits to provide 3.75 million meals for individuals and families in need.

EQUITY: Launched financial education program with UC Berkeley/Mills College, including \$7K scholarships for African American college-bound students, to address the racial wealth gap.

EDUCATION

STEM LEADERS: Through the Better Together STEM Scholarships program, we awarded 40 students with scholarships totaling \$250K to support their studies.

LEADERS OF TOMORROW: Expanded our Better Together Investing in California Youth program to help more than 150,000 students across our service area get college ready.

EMERGENCY PREPAREDNESS & SAFETY

PARTNERSHIPS: Public safety campaign with the California Fire Foundation reached people in high wildfire threat areas 45 million times and supported 66 fire departments, associations and groups.

COMMUNITY PREPAREDNESS: Disaster preparedness and safety messaging was shared with 200K+ residents through 34 nonprofit community-based organizations.

ENVIRONMENT

CLIMATE ACTION: Partnered with ReLeaf to engage nearly 400 adults and children in four counties to plant 297 trees in urban areas to help with shade, cooling, and help lower energy costs.

CONSERVATION EDUCATION: Supported 46 teachers from six Bay Area counties to help expand their marine and conservation curriculum for 4,400+ students.
