

- Log into **OnBoard** on a browser using link <https://learn.its-training.com>
- Select '**Qualifications**' from **Reports** tile

- Select '**Detailed Module Report**' on the **Qualifications** page for reports

> Home > Reports

 **Qualifications**  
Choose from the list of qualification reports below.

**By Module**

---

> [Qualified Module Report](#)  
Shows **modules** for which users are 'qualified'. A module may contain any number of Tasks. To be Qualified in a module, a user must pass the written knowledge portion (paper or online) as well as the field evaluation (skill and ability) for ALL required tasks in this module. This report may contain records from any or all of these areas.

> [Detailed Module Report](#)   
Shows an expanded view of the **modules** which users have attempted. A module may contain any number of Tasks. To be Qualified in a module, a user must pass the written knowledge portion (paper or online) as well as the field evaluation (skill and ability) for ALL required tasks in this module. This report may contain records from any or all of these areas.

- Use the filters on the report to select the required user and OQ, then hit **GO**. Click on the **pdf** icon to open the Welder Performance Record form.
