

PG&E Low Carbon Fuel Standard Solicitation Program Updates

- The “Notice of Intent to Bid” file has been replaced by the “Contact Sheet” file.
- Fax numbers have been removed from the “Contact Sheet.”
- A completed “Contact Sheet” file must be submitted with a completed “Bid Form” for each solicitation.
- PG&E’s standard Leap Master Agreement has been updated.
- LCFS Transaction Mechanics may be different for buyers that have been issued a line of credit instead of signing a pre-payment agreement.
