

## PRIVILEGED AND CONFIDENTIAL / ATTORNEY-CLIENT COMMUNICATION

### PG&E CCPA Financial Incentive Notice

PG&E and associated vendor, WeaveGrid, (hereafter “WeaveGrid “we,” “us,” or “our”) offers programs, benefits, and other offerings to consumers related to the collection, retention, or sale of Personal Information that may be deemed a “financial incentive” or “price or service difference” under the California Consumer Privacy Act (“CCPA”). These offerings may involve collecting the following categories of Personal Information from customers who participate: identifiers; customer records; protected class and demographic information; commercial information and preferences; internet or other electronic network activity information and device information; audio, electronic, visual, or other sensory information; and inferences. We are providing you with this information so that you may make an informed decision on whether to participate in our programs.

**Enrollment Incentive:** This program offers varying incentive amounts to participants in order to understand and compare what features and benefits are most relevant for our customers. The incentive amount you receive when you enroll is set for the duration of the program. You will not be eligible for a higher incentive compared to other participating customers. We may offer incentives limited to a specific time period, such as an early sign-up bonus.

- To be eligible for the enrollment incentive, vehicles must remain connected to WeaveGrid for at least 50% of the time. Drivers are eligible for an enrollment incentive after three months. The participating EV (or charger) must remain connected to the internet and activated with the manufacturer for the Customer to remain enrolled in the Program. WeaveGrid will attempt to notify the Customer when disconnection has been identified for the following reasons:
  - Customer has requested to be removed from the Program.
  - The EV network account has been terminated because the EV was removed, disabled, or reset on the applicable manufacturer app, and/or the EV was activated by a different user.
- In exchange for your participation, you will be offered a Tango Gift card. As part of the limited-time promotions, we may collect your Personal Information, such as your name, email address, and phone number. Participation in a limited-time offer or promotion is governed by the applicable terms and conditions for the program (e.g., Program Incentives), which will also describe any financial incentives associated with the promotion and how to participate. You can terminate participation at any time by contacting us at [pge-support@weavegrid.com](mailto:pge-support@weavegrid.com). Our good-faith estimate of the value of your Personal Information is the value of the benefit we offer to you. We have calculated such value by using the expense related to the benefit.

By participating in the above promotional program, you agree that the benefits are reasonably related to the value of the Personal Information collected and retained.

Participation in our promotional programs is always optional, and you can terminate program participation at any time as explained in the applicable program terms. You can also contact us at [pge-support@weavegrid.com](mailto:pge-support@weavegrid.com) to unsubscribe or cancel your participation in any program.
