ANSWER 001

Please see “*WMP-Discovery2023-2025_DR_SPD_025-Q001Atch01CONF.zip*” for our WMP pre-submission to Energy Safety. Please note that this is not our final WMP submission and may be subject to revision before the final WMP is submitted in April.

Please note that we have designated this entire submission as confidential to align with Energy Safety’s pre-submission process and guidelines which stipulate that the pre-submission documents are only for Energy Safety’s use in performing a pre-submission check and are not to be used for a substantive review of WMP content.
