ANSWER 002 REVISED 01

Please see "*WMP-Discovery2023-2025_DR_SPD_025-Q002Rev01Atch01CONF.xlsx*" for an updated GH-04 (10K Undergrounding) 2023-2026 workplan as of March 14, 2025. During our meeting with SPD on March 25, 2025, SPD noted that the response provided on March 19, 2025 appeared to include circuit names instead of circuit protection zones in Column M, "Circuit Protection Zone." This revision provides corrected values for Column M, "Circuit Protection Zone."
