

Find Support During a Public Safety Power Shutoff

Transportation and other resources to help keep you safe

April 2024

For your safety, we may need to turn off power to help prevent wildfires when risk is high. This is a **Public Safety Power Shutoff (PSPS)**. During a PSPS, transportation is available to our Community Resource Centers (CRCs) for those with access and functional needs. To find transportation services near you, please see the table below or visit pge.com/pspsresources.

Transportation Services

Scan or click the QR code to visit website:

Dignity Health.

Dignity Health Connected Living

- Counties served: Shasta
- Phone: 530-226-3074, extension 4

Additional Resources

211

Reach out to find support during an outage. Call **211** or text “PSPS” to **211-211** for assistance. To learn more, visit [211.org](https://www.211.org).

Disability Disaster Access & Resources Program

Apply to get help planning for outages if you are an older adult or have a disability. Learn more at [pge.com/ddar](https://www.pge.com/ddar).

Food replacement

We partner with local food banks to provide you with food options during and after a PSPS. Find your local food bank at [pge.com/afn](https://www.pge.com/afn).

Community Resource Centers

We offer a safe place to charge medical and other electronic devices, find basic supplies and get information during a PSPS. Find the nearest CRC at [pge.com/crc](https://www.pge.com/crc).

For translation support in 240+ languages, or to request print communications in large print or Braille, call **1-800-743-5000**.
