

Community Wildfire Safety Program

PG&E Wildfire Safety Webinar – Alpine, Stanislaus and San Joaquin Counties – Post-Event Report

On June 22, 2023, PG&E held a Wildfire Safety Webinar for Alpine, Stanislaus and San Joaquin County customers, in accordance with the Settlement Agreement approved by the May 7, 2020, California Public Utilities Commission (CPUC) Decision (D.) 20-05-019 Order Instituting Investigation (OI) regarding the 2017 and 2018 wildfires.

PG&E is listening to customer feedback to help understand how we can continue to improve wildfire prevention efforts, including the Public Safety Power Shutoff (PSPS) and Enhanced Powerline Safety Settings (EPSS) Programs. The purpose of the event was to share safety and prevention activities, utility service-related information and customer resources all customers, gather input and respond to questions.

The following report has been prepared to provide an overview of the safety town hall and includes:

- A high-level event summary
- A description of outreach for the event
- An overview of the feedback received
- A link to the event presentation and recording

Event Details

- **Date:** June 22, 2023
- **Time:** 5:30 – 6:30 p.m.
- **Total Attendees:** 33
- **PG&E Presenters:**
 - Joshua Simes, Regional Vice President, Central Valley Region
 - Cornelius Morgan, Senior Director, Safety Operations
 - Tom Smith, Senior Manager, Customer Emergency Planning and Operations
 - Dylan George, Local Government Affairs, Alpine, Stanislaus and San Joaquin Counties

The event featured a 60-minute presentation on PG&E's Community Wildfire Safety Program followed by a Q&A session. The presentation focused on 2023 updates, Enhanced Power Safety Settings (EPSS) and customer resources. Participants could either join via the virtual conference platform or by calling in to a toll-free number. Closed captioning was available in English, Spanish and Chinese.

Event Outreach

PG&E conducted outreach through a variety of channels to drive attendance to the event. Outreach included:

- Email invitations sent to all electric customers with an email address listed
- Social media postings on Facebook, Instagram, Twitter and Nextdoor
- News release and media advisory

- Outreach to city, county and tribal officials as well as through a variety of additional channels

Sample invitations and outreach materials can be found in Appendix A.

Question and Answer Session Summary

Participants submitted questions and comments for PG&E's subject matter experts through a Q&A function on the webinar platform. A total of 3 questions and comments were received with a focus on infrastructure.

The full list of questions/comments received during the Q&A session can be found in Appendix B.

Recording and Presentation Availability

A recording of the event will be available at https://www.youtube.com/watch?v=VI6RRnV_azQ.

Additional presentations and recordings of past PG&E wildfire safety webinars are also available at pge.com/webinars, including:

- Regional webinars with a county-by-county focus on safety work
- Webinars for school districts and administrators
- In-language Wildfire Safety Webinars

Appendix B:
QUESTIONS RAISED DURING THE EVENT

The below questions and comments have been listed in the order received:

- Hello, I'm the Source Reduction Specialist with the San Joaquin County Mosquito and Vector District. In the webinar slides that were given to our District Manager from June 8, 2023, it states you may have discussed a certain Pilot Program for mosquito control purposes. Could you please touch on that program a little bit for me again?
- Thank you for the previous response it is very appreciated. I have one more important question on behalf of my district for Mr. Dylan George, San Joaquin County legal rep. is it possible to set up a meeting between him and I this way we can maybe address our counties mosquito sources together?
- Thank you.
