

Wildfire Safety Open House

Wildfire Safety Open House – Green Valley

On June 22, 2023, PG&E held a Wildfire Safety Open House for customers in Green Valley, in accordance with the Settlement Agreement approved by the May 7, 2020, California Public Utilities Commission (CPUC) Decision (D.) 20-05-019 Order Instituting Investigation (OII) regarding the 2017 and 2018 wildfires.

The purpose of PG&E's quarterly Wildfire Safety Open House is to share the progress made on the company's approach to improving operations and delivering better safety outcomes for customers. The utility invited customers to meet with the regional leadership teams, including the Regional Vice President and subject matter experts.

The following report has been prepared to provide an overview of the Wildfire Safety Open House and includes:

- A high-level event summary
- A description of outreach for the event
- An overview of the feedback received

PG&E invites you to an open house to ask questions and learn more about our undergrounding plans in Green Valley and the neighboring communities.

Where: Green Valley Country Club, 35 Country Club Drive, Fairfield, CA 94534

When: Thursday, June 22, 2023, from 4:30 p.m. – 6:30 p.m.

Drop in any time during the event to meet the project team and ask questions about work happening in your community.

As part of our wildfire safety and reliability work, we plan to bury approximately 30 miles of powerlines underground in and near the Green Valley community over the next two years. Undergrounding is the best solution to keep communities safe from wildfire risk, and your partnership is important to safely complete this work in your neighborhood.

If you have any questions please reach out to your local outreach specialist Butch Harris at 408-391-0657 or butch.harris@pge.com.

APPENDIX B:
COMMENT CARDS DURING THE EVENT

No comment cards were received, but PG&E subject matter experts spoke with customers one on one about their questions and concerns.
