

Wildfire Safety Open House

Wildfire Safety Open House – Sonoma County

On June 8, 2023, PG&E held a Wildfire Safety Open House for customers in Sonoma County, in accordance with the Settlement Agreement approved by the May 7, 2020, California Public Utilities Commission (CPUC) Decision (D.) 20-05-019 Order Instituting Investigation (OII) regarding the 2017 and 2018 wildfires.

The purpose of PG&E's quarterly Wildfire Safety Open House is to share the progress made on the company's approach to improving operations and delivering better safety outcomes for customers. The utility invited customers to meet with the regional leadership teams, including the Regional Vice President and subject matter experts.

The following report has been prepared to provide an overview of the Wildfire Safety Open House and includes:

- A high-level event summary
- A description of outreach for the event
- An overview of the feedback received
