Community Wildfire Safety Program
PG&E Wildfire Safety Webinar – Tehama, Glenn and Colusa Counties – Post-Event Report

On May 28, PG&E held a Wildfire Safety Webinar for customers in Tehama, Glenn and Colusa counties, in accordance with the Settlement Agreement approved by the May 7, 2020, California Public Utilities Commission (CPUC) Decision (D.) 20-05-019 Order Instituting Investigation (OII) regarding the 2017 and 2018 wildfires.

PG&E is listening to customer feedback to help understand how we can continue to improve wildfire prevention efforts, including situational awareness and the Public Safety Power Shutoff (PSPS) Program. The purpose of the event was to share safety and prevention activities, utility service-related information and customer resources, gather input and respond to questions.

The following report has been prepared to provide an overview of the webinar and includes:
- A high-level event summary
- A description of outreach for the event
- A link to the event presentation and recording

Wildfire Safety Webinar Summary
- **Date**: May 28, 2025
- **Time**: 5:30-6:30 p.m.
- **Total Attendees**: 48
- **PG&E Presenters**:
    - Joe Wilson, Regional Vice President, North Valley & Sierra Region
    - Paul Jeske, Regional Safety Director, North Valley & Sierra Region
    - Wes Anderson, Regional Senior Manager, North Valley & Sierra Region

The event featured a 60-minute presentation on the implementation of PG&E's Community Wildfire Safety Program in Tehama, Glenn and Colusa counties with multiple Q&A sessions. The presentation focused on PG&E's layers of protection, wildfire risk, situational awareness, Public Safety Power Shutoffs (PSPS), safety tips and customer resources. Participants could either join via the virtual conference platform or by calling into a toll-free number. Closed captioning was available in English, Spanish and Chinese.

Event Outreach
PG&E conducted outreach through a variety of channels to drive attendance to the event. Outreach included:
- Email invitations sent to all electric customers in Tehama, Glenn and Colusa counties
- Social media postings on Instagram, Facebook and Nextdoor
- News release and media advisory
- Outreach to city, county and tribal officials as well as through a variety of additional channels

Sample invitations and outreach materials can be found in Appendix.

Question and Answer Session Summary
No questions or comments were received during this presentation.

MEDIA ADVISORY

PG&E Invites Customers in Tehama, Glenn and Colusa Counties to a Webinar on Wildfire Prevention Work and Safety Resources for 2025

At May 28 Virtual Event, PG&E Local Leaders Will Answer Questions and Share Available Resources

OAKLAND, Calif. — Pacific Gas & Electric Company (PG&E) is hosting an interactive webinar for customers in Tehama, Glenn and Colusa counties on Wednesday, May 28, from 5:30 – 6:30 to share more about what we are doing to reduce wildfire risk and make our system safer.

During the meeting, we will share the latest updates on local wildfire safety work and provide community resources available to keep customers safe. This is also an opportunity for participants to ask questions, share feedback and connect with their local PG&E leaders, including North Valley & Sierra Region Vice President Joe Wilson.

The event can be accessed via the below link, by phone or through PG&E's website, pge.com/webinars.

Counties	Date	Time	Link and Dial-In
Tehama, Glenn and Colusa	Wednesday, May 28, 2025	5:30 – 6:30 p.m.	**Link:** https://bit.ly/3XRQsLp **Or** **Dial-In:** +1 888-469-3091 **Conference ID:** 5385919#

American Sign Language interpretation will be available, along with dial-in numbers for those who aren't able to join online. For the full webinar events schedule, additional information on how to join and recordings and presentation materials from past events, visit pge.com/webinars.

Customers can find opportunities to engage with PG&E representatives in the area by visiting: pge.com/openlines »

More information and resources to help you and your family prepare for and stay safe in the event of an emergency can be found at safetyactioncenter.pge.com.
