preparedness  
checklist!

# Prepare Your Home for Safety Outages

Some of the measures included in this document are contemplated as additional precautionary measures intended to further reduce the risk of wildfires. "PG&E" refers to Pacific Gas and Electric Company, a subsidiary of PG&E Corporation. ©2024 Pacific Gas and Electric Company. All rights reserved. CCC-0824-4336. 07/17/2024

# What we're doing to prevent wildfires

---

We use these layers of wildfire protection to help keep you safe:

**Using technology** to better predict, monitor and respond to wildfires

---

**Installing stronger poles and covered powerlines** on 1,700+ overhead line miles

---

**Undergrounding** powerlines in the highest fire-risk areas

---

**Trimming trees** to ensure they are away from powerlines

---

**Equipping powerlines** with safety settings that turn off power when a threat is detected

---

**Turning off power** to prevent a wildfire during extreme weather

## See wildfire safety work in action

---

**You can look up your address on our Progress Map to see safety work in your neighborhood.** You can also see if your address qualifies for the Self-Generation Incentive Program or the Permanent Battery Storage Rebate Program.

# Safety outages protect your community

## Public Safety Power Shutoff

Planned safety outages that help prevent a wildfire when risk is high. Our goal is to **notify you two days before** an outage.

Learn more at [pge.com/pmps](https://pge.com/pmps)

## Enhanced Powerline Safety Settings

These settings may shut off power for safety if a hazard is detected on a powerline.

Learn more at [pge.com/epss](https://pge.com/epss)

**We will keep you updated** via text, call and/or email about when power will return during safety outages.

# Be prepared in case of an outage

## Before an outage

Visit [pge.com/outageprep](https://www.pge.com/outageprep) to:

- Create an emergency plan and find backup power options
- Make sure your contact information is correct to get alerts
- See if you qualify for extra support through the Medical Baseline Program
- Get help planning if you're an older adult or have a disability through the Disability Disaster Access and Resources Program

## During an outage

- View current outages and restoration times at [pge.com/outages](https://www.pge.com/outages)
- Find local support and services by calling **211**, texting 'PREPARE' to **211-211** or visiting [211.org](https://www.211.org)
